AI Guide for Beginners Tigran Voskanyan, 2025-05-31 Comes With Access To Your Personalized Companion Course A Digital Prompt Book Beta Access to My Upcoming Book No fluff No jargon No Ethics Committee Just action Join The AI Revolution with Straight To The Point guided activities From Beginner to AI Whisperer in just 4 days your first step in a practical 21 day challenge to earn passive income with AI No tech degree required AI has

already made its way in and it's not just knocking anymore. You're about to find out how to use artificial intelligence to give yourself a huge and almost unfair advantage. It's not about learning AI; it's about getting good at the prompts that make it do what you want. This is your AI guide for beginners, the non-negotiable first step in a 21-day mission to make AI money and AI income your new reality. This is Book I. Forget information overload; this is a 4-day guided detonation of your old assumptions and limitations. This Book I is your invitation to the first 4 days of a practical 21-day challenge designed to get you generating passive income with AI. This is what you can expect: straightforward, practical, and no nonsense. Day 1: Your brain. Now AI. Could it be that the thing stopping you from mastering AI is simply yourself? Expect and prepare for an upgrade. It's not just about algorithms; it's about changing your basic mindset. Day 2: They lied to you about AI. Find out the secrets they wish you the AI beginner didn't know. Day 3: Spells that work. Even when they shouldn't. This is where you learn the forbidden language of AI prompts, the kind of prompt engineering that feels like you've found a cheat code for reality. Use AI tools so well that they'll appear to know what you want before you do. On Day 4, your brain will start to leak. You're about to see AI in action, and your idea of what's possible will be broken and rebuilt into something much greater. You'll find out how to turn AI into your own AI assistant, which can handle everything from research to creating content. And that's just scratching the surface; you'll see how these foundational skills become your launchpad if you're figuring out how to start an online business using your new AI assistant for early-stage AI marketing insights or streamlining the creation of a compelling business plan. This isn't about working harder; it's about applying smart money principles, giving you the ultimate edge in truly understanding the pathways to sustained cashflow and how to actually build a business in the new economy. This is the foundation, the essential toolkit you need before you can even think about building a passive income with AI or launching that revolutionary AI business. But I'm not tech-savvy enough. Great tech-savvy people often overcomplicate. This is AI for beginners, designed for humans, not robots. If you can write an email, you can use this guide to control AI. Can I really use AI to earn money? This book is the ignition key. It gives you the basics and the necessary skills for any AI income strategy. Books II, III in the 21 Days to Make Money with AI series build directly on this, guiding you to create your passive income engine towards financial freedom. However, without this first step, good luck. This is Book I of a 3-part series. This is where you can start using AI for business profit, a smarter side hustle, or simply to prepare for the future.

Money with AI: How ChatGPT Can Help You Jay Nans, 2025-11-14 The ebook *Money with AI How ChatGPT Can Help You* is a practical

beginner friendly guide for honestly earning income using the free version of ChatGPT without requiring technical skills

Core Philosophy and Realism The book establishes that ChatGPT functions as a time saving assistant and production partner not an automatic money making machine requiring consistent human effort and oversight It stresses avoiding get rich quick scams and setting realistic expectations initial earnings are typically small and emerge after a few weeks to a few months of consistent work

Getting Started Initial chapters focus on using the free version of the tool explaining what ChatGPT can and cannot do and detailing the creation of effective prompts Key rules for successful prompts include being clear about the task providing context giving format instructions and iteratively checking and improving the AI s output

Income Streams and Workflows The majority of the guide outlines multiple low barrier income streams providing step by step workflows tools primarily ChatGPT Canva Google Docs and example prompts for each

Freelancing Writing Offering services on platforms like Fiverr and Upwork such as writing blog posts crafting product descriptions or producing outlines and content for ebooks

Digital Products Passive Income Creating and selling simple digital goods like low content books journals planners templates resumes and mini guides using AI to speed up the creation process

Specialized Services Providing research and report summarization generating social media content captions video scripts creating customer support materials FAQs email templates or packaging personal expertise into online micro courses

The 30 Day Plan The book culminates in a structured 30 Day AI Income Plan

888 This plan guides the beginner through four phases

Week 1 Learn Master the basics of ChatGPT and supporting tools

Week 2 Create Samples Build a small portfolio of work samples and micro products

Week 3 Publish Create professional profiles on freelance or digital product platforms Fiverr Etsy

Week 4 Start Earning Actively apply for jobs and deliver first paid work

Long term advice emphasizes consistency building business systems and slowly scaling through pricing and product bundling
