Sandra Birdsell David Adams Richards and Pierre Berton daily and weekly newspapers from across the country and of course the Canadian Tire catalogue all find a place in the evidence of The Canadian Oxford Dictionary The lexicographers also examined an additional 20 million words of international English sources For many Canadians one of the more puzzling aspects of writing is trying to determine whether to use the American spelling or the British spelling Should it be colour or color theater or theatre programme or program By examining our extensive Canadian databases our lexicographers have been able to determine which in fact is the more common spelling colour theatre and program Favoured Canadian pronunciations have also been determined by surveying a nationwide group of respondents Oxford's thorough research has also ensured that new words that have recently appeared are well represented So if you're someone who puts on your bicycle shorts and blades over to the gym to do some crunches for your abs followed by work on your lats pecs and delts finishing up with a step class because you're afraid that being a chocoholic who loves comfort food will affect your body mass index and you want to avoid yo yo dieting you'll find all these common words in The Canadian Oxford Dictionary An added feature of this dictionary is its encyclopedic element It includes short biographies of over 800 Canadians ranging from Elvis Stojko Celine Dion and Jean Beliveau to Nellie McClung Lester B Pearson and Kim Campbell It also contains entries on 5 000 individuals and mythical figures of international significance and almost 6 000 place names more than 1 200 of them Canadian Indeed all Canadian towns with a population of 5 000 or more are featured and their entries not only explain the origin of the place name but also include the population based on the 1996 census With the publication of The Canadian Oxford Dictionary Oxford University Press adds another work to its highly respected range of dictionaries and Canadians finally have a dictionary that truly reflects their nation
