Remote Work Is Destroying Your Productivity (Here's How to Fix It)

Charlotte Hayes,2025-12-06 Remote work promised freedom Flexible hours no commute work from anywhere Yet millions of people working from home are more exhausted less productive and more isolated than they ever were in an office The problem is not remote work itself It is that nobody teaches you how to actually do it well Without the structure of an office boundaries blur Work bleeds into your personal life You are always on always reachable and the distinction between work time and home time disappears Distractions multiply Productivity plummets Loneliness creeps in Communication with your team becomes fragmented and confusing You are working longer hours but producing less feeling guilty about it and wondering if remote work was a mistake This book cuts through the hype and reveals the real challenges of remote work then provides the exact systems used by people who thrive in it You will learn how to design your physical and mental workspace so focus becomes natural not forced The book shows you how to structure your day for maximum productivity without the illusion of always working how to communicate effectively across distance and time zones and how to maintain relationships with colleagues when you never see them in person You will discover the boundary setting strategies that protect your personal life how to manage your energy instead of just your time and why most remote workers burn out before they find their rhythm
