Leadership Communication Deborah Barrett, 2007-02-20. The first edition of

Leadership Communication was well received by students and instructors and the second edition builds on that momentum. It continues to help current and potential managers become effective leaders by being better communicators. It brings together managerial communication and concepts of emotional intelligence to create a new model of communication skills and strategies for corporate leaders. It begins with chapters on the core communication skills of developing strategy, analyzing an audience, writing in all types of business genres, and designing and delivering effective PowerPoint presentations, all from a leadership perspective. Then it takes students through chapters on emotional intelligence, cultural literacy, meeting management, and team leadership, before concluding with chapters on internal and external organizational communication.

Implementing the Virtual Project Management Office Marcus Goncalves, 2006-09-13 Globalization and increased outsourcing have redefined project management. The complex dynamics involved in today's long distance projects require a new skill set and knowledge base unlike anything needed before. Here leading project management expert Marcus Goncalves presents a complete guide to implementing the virtual project management office (ePMO). Leveraging his information technology expertise and PM experience, Goncalves offers cutting edge techniques for managing projects across borders, working with colleagues and clients from different cultures, and utilizing the necessary telecommunication and Internet technologies. ePM managers and their virtual teams and remote PM offices must have. *Implementing the Virtual Project Management Office* complies with the Project Management Institute's Project Management Body of Knowledge (PMBOK) guidelines and extends them to ePMO. After analyzing the benefits of ePM versus conventional project management, Goncalves presents an in depth discussion of ePM practices, scenarios, and challenges, aided by real world examples and insightful case studies. Providing a full focus on the management and execution of virtual projects, Goncalves demonstrates the time and cost saving advantages, showing how to begin realizing those advantages immediately. He gives you Guidelines for building virtual project teams, Step by step best practices for keeping an eProject on course, Techniques for measuring project performance and earned value, eTools for controlling project quality, Ways to integrate speed, change, and innovation for ePM success.
