Essential Environment Jay Withgott, Scott R. Brennan, 2007 The Science Behind the Stories retains all the popular features of the landmark first edition including its integrated central case study approach and focus on the scientific process current data and critical thinking in a brief 15 chapter text The Second Edition features a new chapter on ecology with expanded coverage of community ecology and biomes New end of chapter activities and interactive exercises on the Environmental Place Website help students hone the skills they need to make informed decisions on environmental issues Calculating Ecological Footprint activities at the end of each chapter give students practice in applying individual decisions to larger scales The Investigate It interactive map on the website provides more than 120 additional case studies You Decide web activities help students learn how to analyze data on global warming and conservation The Politics of Environmental Education Centres Anne Marie Ross, 2025-05-02 This book juxtaposes a representation of environmental education centres

around the globe with centres within the New South Wales Department of Education in Australia As terminology shifted from nature study and conservation education to environmental education then environmental and sustainability education within sustainable development the centres embodied and encompassed this evolution The book traces the centres journeys through the phenomenon of the 1970s growth in socially conscious governance to 1980s 1990s public managerialism to the tightening tentacles of capitalism The complexity of education as a socio political endeavour is made explicit Themes including the changing dynamics of caring for the environment and bureaucratic and political manoeuvring in addition to the effects of activism and globalisation are viewed through a centre lens as the centres survive and thrive in ever increasing neoliberal times The book will appeal to teachers academics and bureaucrats interested in the history and politics of environmental education
