[Assessing Constitutional Performance](#) Tom Ginsburg, Aziz Huq, 2016-08-30 From London to Libya from Istanbul to Iceland there is great interest among comparative constitutional scholars and practitioners about when a proposed constitution is likely to succeed But what does it mean for a constitution to succeed Are there universal criteria of success and which apply across the board Or is the choice of criteria entirely idiosyncratic This edited volume takes on the idea of constitutional success and shows the manifold ways in which it can be understood It collects essays from philosophers political scientists empiricists and legal scholars that approach the definition of constitutional success from many different angles It also brings together case studies from Africa Europe Latin America the Middle East and Asia By exploring a varied array of constitutional histories this book shows how complex ideas of constitutional success play out differently in different contexts and provides examples of how success can be differently defined under different circumstances

Ethical Leadership Robert M. McManus, Stanley J. Ward, Alexandra K. Perry, 2018-09-28 The world cries out for ethical leaders We expect the best but we are often left profoundly disappointed While leadership programs may feature ethics as part of their training the approach is often either simplistic or overly esoteric This book addresses this scarcity of resources for training ethical leaders providing a primer of several ethical frameworks accompanied by extended examples to help inform decision making The text also addresses several leadership

models that claim an ethical component By providing a consistent case analysis based on the Five Components of Leadership Model readers benefit from a comprehensive approach to understanding ethical leadership
