Eon The Way 1 Greg Bear:

Eternity Greg Bear, 2007-10-02 Sequel to Eon Sequels Janet G. Husband, Jonathan F. Husband, 2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series

The Poetics of Science Fiction Peter Stockwell, 2000 The Poetics of Science Fiction uniquely uses the science of linguistics to explore the literary universe of science fiction Developing arguments about specific texts and movements throughout the twentieth century the book is a readable discussion of this most popular of genres It also uses the extreme conditions offered by science fiction to develop new insights into the language of the literary context The discussion ranges from a detailed investigation of new words and metaphors to the exploration of new worlds from pulp science fiction to the genre's literary masterpieces its special effects and poetic expression Speculations and extrapolations throughout the book engage the reader in thought experiments and discussion points with selected further reading making it a useful source book for classroom and seminar

Imagining Apocalypse NA NA, 2016-04-30 This volume brings together essays by specialists in different disciplines on the cultural expression of apocalypse in particular in anglophone science fiction of the nineteenth and twentieth centuries Approaching these works from historical philosophical linguistic and literary perspectives the contributors examine the relationship between secular and spiritual apocalypse connecting the fiction and films to their historical moment Not surprisingly war recurs throughout this material as a critical turning point fulfilment of prophecy or prelude to a new age In particular the essays explore the issue of whether modern apocalypse is seen as an ending or a beginning considered under its political ethnic and gendered aspects Among the writers covered are H G Wells Olaf Stapledon and such contemporary figures as Michael Moorcock J G Ballard and Storm Constantine

Fantasy Art Masters Dick Jude, 1999 Several of the world's most acclaimed fantasy and science fiction artists share the secrets of their work featuring the art of Rick Berry Jim Burns Brom Fred Gambino John Howe Alan Lee Don Maitz Dave McKean Chris Moore and Steve Stone

Science Fiction Literature through History Gary Westfahl, 2021-07-19 This book provides students and other interested readers with a comprehensive survey of science fiction history and numerous essays addressing major science fiction topics authors works and subgenres written by a distinguished scholar This encyclopedia deals with written science fiction in all of its forms not only novels and short stories but also mediums often ignored in other reference books such as plays poems comic books and graphic novels Some science fiction films television programs and video games are also mentioned particularly when they are relevant to written texts Its focus is on science fiction in the English language though due attention is given to international authors whose works have been frequently translated into English Since science fiction became a recognized genre and greatly expanded in the 20th century works published in the 20th and 21st centuries are most frequently discussed though important earlier works are not neglected The texts are designed to be helpful to numerous readers ranging from students first encountering science fiction to experienced scholars in the field
