Soleilmavis Liu, 2013-11-02 Being taken into the USA Embassy in Hong Kong and her brain was remotely controlled by electromagnetic mind control tech Soleilmavis story sounded weird but it was true Suffering horrible pain and many other strange symptoms Soleilmavis Liu one of many private citizens discovered that she and many other people were test subject victims for the study of electromagnetic spectrums mind control weapons and global surveillance equipment This book tells the true story that during her horrible period in the grave her soul was waylaid but God answered her cries and gave her love and support Losing her life to find God was a true consolation and brought joy to her soul and gave her the strength to be a soldier rather than a victim She worked hard to seek justice by exposing these horrible crimes to the public which if not exposed and publicized in the future humanity would no longer know the meaning of physical inviolability and privacy

The Queen of the South in Matthew 12:42 Soleilmavis Liu, 2013-12-26 The Bible prophesies the Queen of the South will rise at the judgment but did not give her name or any other detail about her The Queen of the South in Matthew 12 42 authored by Soleilmavis Liu is a strong and well reasoned piece that demonstrates who the Queen of the South is by using plenty of historical facts It lets readers understand where the Ends of the Earth are how the Queen of the South will come from the Ends of the Earth and what the judgment is Ultimately readers will come to know God s great plan regarding the Queen of the South However Satan and his followers will persecute her Soleilmavis hopes that her presentation sheds new light on this important person who will play a decisive role in the history This book is a step in that direction The Times Index ,1993 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement Thought ,1960 Bell & Howell Newspaper Index to the San Francisco Chronicle Bell & Howell Co.
