## Exploring The Language Of Poems Plays And Prose:

**Exploring the Language of Poems, Plays and Prose** Mick Short, 2018-10-08 Exploring the Language of Poems Plays and Prose examines how readers interact with literary works how they understand and are moved by them Mick Short considers how meanings and effects are generated in the three major literary genres carrying out stylistic analysis of poetry drama and prose fiction in turn He analyses a wide range of extracts from English literature adopting an accessible approach to the analysis of literary texts which can be applied easily to other texts in English and in other languages *Exploring the Language of Poems, Plays and Prose* Mick Short, 1996 Exploring the language of poems, plays and prose [Extras] Mick SHORT, 1996 *A Dictionary of Stylistics* Katie Wales, 2014-09-11 Reviews of the first edition a work of high seriousness manna from rhetorical heaven for students and researchers with a lot of hard graft ahead of them English Today an impressive single author reference work English Not only is this volume indispensable for anyone students or academics working in any field related to stylistics it is like all the best dictionaries a very good read Le Lingue del Mondo Over the past ten years there have been striking advances in stylistics These have given rise to new terms and to revised thinking of concepts and re definitions of terms A Dictionary of Stylistics 2nd Edition contains over 600 alphabetically listed entries fully revised since the first and second editions it contains many new entries Drawing material from stylistics and a range of related disciplines such as sociolinguistics cognitive linguistics and traditional rhetoric the revised Third Edition provides a valuable reference work for students and teachers of stylistics as well as critical discourse analysis and literary criticism At the same time it provides a general picture of the nature insights and methodologies of stylistics As well as explaining terminology clearly and concisely this edition contains a subject index for further ease of use With numerous quotations explanations for many basic terms from grammar and rhetoric and a comprehensive bibliography this is a unique reference work and handbook for stylistic and textual analysis Students and teachers at secondary and tertiary levels of English language and literature or English as a foreign or second language and of linguistics will find it an invaluable source of information Katie Wales is Professor of Modern English Language University of Leeds and Dean of Learning and Teaching in the Faculty of Arts *Studying Language through Literature* Emilia Di Martino, Bruna Di Sabato, 2014-11-10 Studying Language through Literature invites readers to reconsider the opportunity represented by literary texts for language related purposes Despite the close relationship between literature and language in educational contexts literature is frequently associated with teaching practices which have been judged to be unsuccessful Subsequently texts of the non literary type are preferred on the basis that they are authentic and closer to real language The everlasting relationship between language and literature is here reassessed starting from two assumptions literature is the expression of an emphasized perception of reality be it private collective or pertaining to a certain temporal spatial context and literary language is language in its utmost form Following an outline of the philosophy that governs the book each chapter presents specific insights on the use

of the various different literary genres namely fiction poetry and drama The opportunities offered by translation in the foreign language classroom constitute a recurrent theme throughout the book although Chapter 5 is entirely devoted to translation criticism The closing pages put forward a few reflections on assessment While offering some food for thought in order to reassess the role of literature in the language class this book puts together ideas considerations and suggestions from which the reader is free to pick mix and adjust exploiting them to her his greatest benefit

Language and Style Dan McIntyre, Beatrix Busse, 2020-09-03 Inspired by Exploring the Language of Poems Plays and Prose Mick Short's classic introduction to stylistics Language and Style represents the state of the art in literary stylistics and encompasses the full breadth of current research in the discipline Written by leading scholars in the field chapters cover a variety of methodological and analytical approaches from traditional qualitative analysis to more recent developments in cognitive and corpus stylistics Addressing the three key literary genres of poetry drama and narrative Language and Style is divided into carefully balanced sections Based on original research each chapter demonstrates a particular analytic technique and explains how this might be applied to a text from one of the literary genres Framed by helpful introductory material covering the foundational principles of stylistics the chapters act as practical exemplars of how to carry out stylistic analysis Comprehensive and engaging this invaluable resource is essential reading for anyone interested in stylistics
