Another tale far less often spoken of is the one that explains what caused the Queen to become so contemptuously vile. Still some have attempted to guess at the reason. Perhaps the Queen's true nature was that of a wicked hag and her beautiful regal appearance a disguise used to fool the King. Others claim that the Queen might have hated the girl for her resemblance to the King's first wife. Mostly the Queen is painted as a morally abhorrent woman who never loved another being during the course of her miserable life. In fact the theories about exactly what caused the Queen's obsessive vanity and jealous rage are too numerous to catalog. This book recounts a version of the story that has remained untold until now. It is a tragic tale of love and loss and it contains a bit of magic. It is a tale of the Wicked Queen. The Beast Within. The tale is as old as time: a cruel prince is transformed into a beast. A lovely maiden comes into this monster's life. He is transformed by her compassion and the love he feels for her in return. The two live happily ever after. But any tale especially one as storied as Beauty and the Beast's has been told many different times and in many different ways. No matter which version one hears the nagging question remains: what was it that transformed the prince into the beast we are introduced to? This is one version pulled from the many passed down through the ages. It's a story of vanity and arrogance, of love and hatred, of beastliness and of course of beauty. Poor Unfortunate Souls. The tale of the sea king's daughter Ariel is a beloved one of losing and then finding one's own voice. The story has been told many times and in many ways. But always the mermaid wants more than her world can offer and her father demands that she live within the confines of his domain. Her rebelliousness costs the little mermaid her voice and nearly her soul. But the power of good prevails and Ariel emerges proud and changed. And yet this is only half the story. So what of Ariel's nemesis Ursula, the sea witch? What led to her becoming so twisted, scorned and filled with hatred? Many tales have tried to explain her motives. Here is one account of what might have shaped the sea witch into a detestable and poor unfortunate soul.

**Fairest of All** Serena Valentino, 2023-05-02. Disney's New York Times best-selling Villains series comes to life in this graphic novel adaptation of the book that started it all in this tragic tale of love and loss: the untold story of Snow White's Wicked Queen. The tale of the young princess Snow White and her evil stepmother, the Wicked Queen, is widely known. The Queen was jealous of the girl's beauty and this jealousy culminated in the Queen's attempt on the sweet, naive girl's life. But what caused the Queen to become so well-wicked? Perhaps the Queen hated her stepdaughter for her resemblance to the King's first wife. Perhaps she resented the girl for her beauty. Could the Queen simply have been born that cruel? Or does it have to do with a mysterious mirror gifted to her upon her wedding and swirling with dark magic? And who is the man in the mirror? Is he the reason for the Queen's downfall? This tragic tale of love and loss is the untold story of the Wicked Queen: a woman who just wanted to be the fairest of all.
