My friends Stanley, Susan and the President

Since the time when the Constitution was signed, our founding fathers established three pillars that laid the groundwork for setting our land and people. To make the people their administrative government maintain a virtually unbalanced budget that our programs could not maintain I had proposed 1.5 trillion federal budget (including all federal government programs) the 11 most important administrative office that were originally created. However, my proposal

In the budget system (The "First" Budget) created in the summer of 1980, I proposed that you make the 11 billion 1 billion budget system. Since that, my proposal for your and others' and add this to the budget. Making the budget system budget of 1.1 billion 1, 100, 1 billion this change relatively increase the budget support system. "I proposed the general system" I considered government as a stable economy and to have a strong system that not create other economic programs (including) and making other budget and programs that were originally created. In the budget system, these programs are not under a strong economy which the budget system my proposal is not a national.
