History Alive Chapter 10 Answers:

How to Answer a Skeptic Sandy Van Heest, 2025-10-29 Apologetics is a branch of theology devoted to the defense of the divine origin and authority of Christianity against objections. It refers to a reasoned defense that would be given in a court of law. The purpose of this study is to look at what the skeptics are saying about the authority of the Bible. Peter told us to give an answer. We have an answer to give. Our faith is not blind faith but a belief system based upon all the evidences that God has set out for us. Why is this important? Skeptics must be answered and the Christian faith defended so that people's faith won't fade. If we can't trust the written Word of God, how can we trust that the Gospel message is true? We have to understand sin and the need for a Savior before we will be able to accept it. The Bible is God's Word to His people. If it can't be trusted to be completely accurate in historical evidence that we can prove, then it can't be trusted to be accurate in spiritual matters that we can't prove. Skeptics spread their cynicism poison through the media, internet, and books. Immature Christians are easily persuaded by these arguments if they don't get an answer that rings true. The Gunns; History, Myths and Genealogy Alastair Gunn, 2020-02-15 Here is a radical academically based text which demolishes the myths currently masquerading as Gunn history. Gunns are best thought of as the original non-related inhabitants of northern mainland Scotland. They do not have an Orkney Islands origin. Gunns should not be viewed as a clan as they had no founding ancestor. There was never an historic Clan Gunn Chief. The first Gunn known to history was Coroner Gunn of Caithness who died around 1450. His eldest son started the MacHamish Gunns of Killernan line. Many descendants from that line exist all around the world. Major detail on this MacHamish line is included. This book is an important addition to Scottish Highland history.
