Divestitures: Creating Value Through Strategy, Structure, and Implementation Emilie R. Feldman, 2022-12-20. Today's best known expert on the topic shows business leaders how to dramatically increase corporate value through smart strategic divestitures. You've focused on mergers and acquisitions, but how much do you know about divestitures? Wharton Professor Emilie R. Feldman provides a comprehensive primer on what strategic objectives divestitures can achieve, which businesses divestitures typically involve, what divestiture structures companies can choose from, and how to implement divestitures to maximize their financial benefits. Divestitures are among the hottest transactional structures today. *Divestitures: Creating Value Through Strategy, Structure, and Implementation* shows executives, board members, transactional advisors, educators, and others how strategic divestitures can be used to enhance corporate value and performance. The book is organized into three sections: Strategy (Remove problems, improve focus, reconfigure the corporate portfolio, and address regulatory requirements), Structure (Sales spinoffs, equity carveouts, Reverse Morris Trusts, joint ventures, and tracking stocks), and Implementation (Separate the divested business, reconfigure internal processes, and reshape external perceptions). This essential book fills major gaps in the professional and academic markets, providing the only available rigorous research-based treatment of this important strategic tool.

Epic Content Marketing, Second Edition: Break through the Clutter with a Different Story, Get the Most Out of Your Content, and Build a Community in Web3 Joe Pulizzi, Brian W. Piper, 2023-03-07. From the godfather of content marketing, this completely revised and expanded edition brings marketers fully up to date on the newest content marketing methods and tools, including Web3. When *Epic Content Marketing* was first published eight years ago, content marketing was just starting to pick up speed in the marketing world. Now, this approach, which includes everything from blogging to YouTube videos to social media, is the core of most organizations' marketing plans. Fully revised and updated, this new edition walks you through the process of developing stories that inform and entertain and compel customers to act without actually telling them to. In addition to covering all the important social media platforms that have arisen over the past eight years and introducing the creator economy, it shows how to update existing content and make new content that performs in strategic ways. Updates include new content models, structures, and opportunities; content entrepreneurship; content mergers and acquisitions; subscriptions and audience building; team structure; importance of community; DAOs and creator networks; content options; NFTs and discord servers.
