to Strategic Public Relations Janis Teruggi Page, Lawrence J. Parnell, 2017-11-30 This practical introductory text presents the comprehensive field of public relations as it is today and as it will be tomorrow exploring how public relations can play an active role in the betterment of society *Making Learning-Centered Teaching Work* Phyllis Blumberg, 2023-07-03 This is a substantially expanded and enhanced revision of Phyllis Blumberg s acclaimed and bestselling book *Developing Learner Centered Teaching A Practical Guide for Faculty* Jossey Bass 2009 This easy to follow how to guide provides faculty with both a thorough introduction to this evidence based approach to teaching and practical guidance on how to progressively implement it to strengthen the impact of their teaching It demonstrates how they can integrate learning centered teaching

into their classroom practice without sacrificing content and rigor and how to positively engage students in the process by demonstrating its impact on their mastery and recall of key concepts and knowledge. An added outcome given that learning centered teaching is correlated with improved student learning is the resulting assessment data that it provides faculty with the measures to meet the increased demands by accreditors, legislators, and society for evidence of improved teaching and learning outcomes. Phyllis Blumberg demonstrates how to use rubrics to not only satisfy outside requirements and accreditation self studies but more importantly for faculty to use for the purposes of self improvement or their teaching portfolios. She provides examples of how the rubrics can be used to ascertain whether college wide strategic plans for teaching excellence are being met for program review and to determine the effectiveness of faculty development efforts. The book includes the following features: Boxes with easy to implement and adaptable examples covering applications across disciplines and course types; Worksheets that foster easy implementation of concepts; Rubrics for self assessment and peer assessment of learning centered teaching; Detailed directions on how to use the rubrics as a teaching assessment tool for individuals, courses, and programs; List of examples of use classified by discipline and type of course. Phyllis Blumberg offers Making Learning Centered Teaching Course Design Institutes and workshops on this and other teaching and assessment topics. Half day to multiple day modules. Predictive Intelligence for Data-Driven Managers Uwe Seebacher, 2021-03-26. This book describes how companies can easily and pragmatically set up and realize the path to a data driven enterprise especially in the marketing practice without external support and additional investments. Using a predictive intelligence PI ecosystem, the book first introduces and explains the most important concepts and terminology. The PI maturity model then describes the phases in which you can build a PI ecosystem in your company. The book also demonstrates a PI self test which helps managers identify the initial steps. In addition, a blueprint for a PI tech stack is defined for the first time showing how IT can best support the topic. Finally, the PI competency model summarizes all elements into an action model for the company. The entire book is underpinned with practical examples and case studies showing how predictive intelligence in the spirit of data driven management can be used profitably in the short, medium, and long terms. *Ecological Society of America ...
