Book jacket      *The British National Bibliography* Arthur James Wells,2009      [Leo Laporte's Technology Almanac](#) Leo Laporte,Michael Miller,2005 Leo Laporte is TV and radio s most recognized and prolific technology personality best known for his humor wit and ability to teach both newcomers and grizzled PC veterans InLeo Laporte s 2006 Technology Almanac Leo provides a year s worth of anecdotes tips factoids and musings about the machines at the center of your life A page is devoted to each day of the year and each page includes several elements typically a single topic essay that takes up most of the page on subjects as varied as ergonomics Easter eggs in popular programs processor overclocking and discount travel Web sites and hints tips references to worthwhile software and goofy trivia      **Sheeple** Garth Turner,2009 Garth Turner was the first politician in Canada possibly the world to be dooced fired for his web site For his blunt online honesty the Member of Parliament was in turn reviled shunned humiliated and lauded as the future of politics This is the fascinating unique and boldly written first person account of politics at the crossroads democracy unleashed on the Internet versus a cabal of operators and old school backroom manipulators in Stephen Harper s Ottawa whose task it was to contain control and mould public opinion In the two years leading up to the pivotal 2008 federal election Turner was in a unique position to

witness and take part in the battle for the minds of voters first as a member of Harper's caucus and then as an observer of Stéphane Dion's leadership as special advisor for the opposition. In this his first political book, Turner chronicles his experiences in the rising tide of the blogosphere, its dangers, and the monumental clash he experienced with the political establishment.

**Clarification** At page 65 of *Sheeple*, the author makes reference to The Canadian Press running a story about the Prime Minister receiving a standing ovation in caucus after reiterating that he would not allow the Peace Tower flag to be flown at half mast when combat deaths took place in Afghanistan. The author never discussed this or any other issue with the Ottawa bureau chief. The author's comments were meant to reflect the fact that leaked information from confidential sources within a caucus is not verifiable in the sense that its truth cannot be definitely ascertained, but Mr. Turner accepts the assertion by The Canadian Press that this story and all Canadian Press stories that use anonymous sources are double sourced and cleared for publication by a senior editor. Mr. Turner has enormous respect for The Canadian Press and at no time was intending to suggest that it acted improperly.
