Rural Areas in Transition Norman Walzer, Christopher Merrett, 2022-12-23 This volume explores new opportunities to reshape local economies in rural areas during the next decade by exploring successful efforts already underway While reported population declines can paint a bleak picture for rural areas a different story can be told in looking at the numbers of households employment and housing markets In fact many rural areas have had steady employment and healthy housing markets Rural attractions often include proximity to natural recreation areas personal safety social interaction less expensive housing and high quality education This book shows that rural areas are in a major long term transition and that local leaders who take advantage of these opportunities in their community and economic development strategies can create a very positive future for residents Students and policymakers in local economic development sociology of population change business finance political economy and geography will find this a useful resource Proceedings National Electric Light Association, 1903 Sustainable Lifestyles after Covid-19 Fabián Echegaray, Valerie Brachya, Philip J. Vergragt, Lei Zhang, 2021-04-22 This book takes an in depth look at Covid 19 generated societal trends and develops scenarios for possible future directions of urban lifestyles Drawing on examples from Brazil China and Israel and with a particular focus on cities this book explores the short and long term changes in individual consumers and citizen behavior as a result of the Covid 19 pandemic On the basis of extensive market and opinion research data aggregate data observational evidence and news reports the authors provide a detailed account of the transformations that have occurred as a result of a triple shock of public health emergency economic shutdown and social isolation They also examine which of these behavioral changes are likely to

become permanent and consider whether this may ultimately promote or restrain sustainable lifestyle choices Innovative and timely this book will be of great interest to students scholars and professionals researching and working in the areas of sustainable consumption urban and land use planning and public health Congressional Record United States.
