Implications of Remote Work on Employee Well-being and Health Rolf Van Dick, Anja Baethge, Nina M.

Junker,2024-12-31 The rapidly growing field of organizational psychology has over the last few years become one of the fastest growing branches of psychology Particularly taking care of the health and well being of employees in the workplace cannot only be considered a moral imperative but has begun globally to be recognised as driving forces of socio economic growth Employee health and well being is crucial to organizations in regards to improved productivity employee performance job satisfaction staff retention reduced absenteeism increased job satisfaction and work commitment Thus research relating to employee well being and health has produced some significant results and furthered our understanding of this subsection of the organizational psychology field The evolvement of the way we work has also gained traction in the organizational psychology field in relation to remote working Since the Covid 19 pandemic many workforces have adapted more or less permanently to this form of working Frontiers has organized a series of Research Topics to highlight the latest advancements in research across the field of organizational psychology and the implications of remote working This editorial initiative of particular relevance led by Professor Rolf van Dick Specialty Chief Editor of the Employee Well being and Health section alongside Dr Anja Baethge and Dr Nina Junker is focused on the implications of remote working on employee well being and health

Working Remotely Molly Virello,2022-05-09 In March of 2020 the world workforce moved to work remotely challenging the nature of what librarians accomplish while not being in their buildings and how libraries serve communities with their doors closed While the initial move to remote work was forced voices emerged that questioned why librarians

couldn't work remotely for extended periods of time as part of their regular jobs Librarians are uniquely positioned to move themselves to remote work while also maintaining connections to their patron base and their colleagues but where to start Stepping outside the traditional library space librarians can carve out a space to work remotely while still retaining the ability to reach our patrons provide access to quality programming pave the way for libraries to share information promote resources and even lead change in their communities With times changing and our profession adapting so quickly this practical how to guide will help librarians set up an office space set a routine and adapt plan create implement manage and evaluate their programs and services to the best of their ability in order to unleash their library's potential to engage and wow their patrons and communities With worksheets and templates anecdotes about what works easily and what might prove challenging this book is ideal for today's librarian **The Everything Guide to Remote Work** Jill Duffy, 2022-02-08

Discover the secret to being productive and successful no matter where you are with this essential guide to remote work During COVID 19 working from home became the new normal Now both employers and employees find that the remote work they were forced to adjust to may be well better financially sustainably and even in terms of overall morale and productivity But working from home is not without its challenges It can be difficult to eliminate distractions strike a solid work life balance and maintain social connections that are crucial in the workplace Whether you're trying to find and land a job from the comfort of your home learning to manage a virtual team or dream of living a digital nomad lifestyle **The Everything Guide to Remote Work** has everything you need to be successful You'll learn to optimize your own workplace culture whether it's in your home office or a constantly changing backdrop So whether your company continues to work remotely full time or you only have to go to the office a few days a week you'll be armed with all the tools you'll need to make the most out of this new lifestyle **Remote Work Technology** Henry Kurkowski, 2021-09-08 Your small business survival guide for the remote work environment In **Remote Work Technology Keeping Your Small Business Thriving From Anywhere** experienced SaaS and telecommunications entrepreneur Henry Kurkowski delivers a step by step walkthrough for using SaaS technology and communication apps to power your small business from anywhere on the planet You'll learn how to capitalize on the ability to hire a geographically distributed workforce and excel at serving clients at a distance You'll also discover why and how you need to alter your approach to management and spot the common pitfalls that litter the way to a truly distributed business This important book includes Valuable case studies of businesses that embraced the reality of remote working during and after the COVID 19 pandemic and cautionary tales of unexpected challenges that arose during the transition Discussions of how to incorporate remote workers into efficient workflows to increase your business productivity Explorations of how to support your employees when you can't just pop into their office Perfect for small business founders owners and managers **Remote Work Technology** is also a must read guide for independent contractors who work directly with small businesses and entrepreneurs *Personal Efficiency* Samuel MacClintock, 1914 **Modern Medicine; the Application of Medicine &**

Allied Sciences to Industrial Efficiency & National Health John Augustus Lapp, 1919 **Building High-performance People and Organizations** Martha I. Finney, 2008

Business success depends on employee innovation drive skill endurance and dedication Engaged employees studies show provide tangible advantages to the organization and its bottom line greater customer satisfaction reduced turnover higher productivity improved profitability better safety results and higher stock prices In contrast the Gallup Organization has discovered that disengaged workers cost U S business between 250 billion and 350 billion each year How do you engage employees and in turn create the high performance organization With a different emphasis in each volume that s what this set is all about Volume 1 The New Employer Employee Relationship Volume 2 The Engaged Workplace Organizational Strategies Volume 3 Case Studies and Conversations From the latest theories on motivation to innovations in HR to methods to increased employee retention it provides the essential insights and tools managers leaders and HR people need to find new ways to succeed while keeping employees happy productive and loyal Employees know that cradle to grave or even week to week employment security is a thing of the past and that they are at the helm of their own career ship Discerning consumers in the employment marketplace they therefore seek employment opportunities that speak not only to their wallets and life circumstances but also to their desire to find work that provides purpose and passion How can employers meet these needs and create a team of engaged employees That s a large question and one that spans a spectrum of issues that includes career development human resource management and the alignment between individual and organizational goals In these three volumes leaders and managers will find answers They feature articles interviews and reports from academics psychologists managers in the practical corporate world and experts in career management Despite what Donald Trump might say work is personal and the ways in which individuals navigate the organizational environment and businesses organize to seek attract and retain the best employees is of primary concern That goes double in these turbulent times when job security is at stake cynicism rampant and loyalty at risk This set Covers both theories and practices driving the development of the modern employment relationship from both employee and organizational perspectives Touches on the timely issues of career management balance of personal and professional goals and for organizations finding and retaining the best employees and creating workplace cultures that inspire them to do their best work Provides principles and practices that can be used by companies of all sizes in all sectors and in all parts of the world Features an all star cast of contributors from corporate leadership academia practice and consulting special elements include interviews with business leaders and many best practice examples Building High Performance People and Organizations connects the dots so employers can maintain a loyal satisfied and productive workforce Volume 1 The New Employer Employee Relationship This volume looks at trends in demographics and the general business environment leading to and driving the concept of employee engagement It addresses such issues as changing workforce demographics essential considerations in using employeesurveys building a high performance culture measuring and managing human capital

engagement and change management managing virtual work teams and the impact of globalization and technology on the employer employee relationship Volume 2 The Engaged Workplace Organizational Strategies This volume focuses on real world organizational strategies to find develop and retain the best employees with an emphasis on innovative practices in both the U S and internationally Topics covered include hiring and staffing strategies the essential elements of work life balance On the Shores of Tomorrow ,1990 Fundamental Sources of Efficiency Fletcher Durell,1914 **Fatigue and efficiency** Josephine Clara Goldmark,1912 **Productivity, an Urgent Priority** ,1981 Work, Productivity, and Human Performance Thomas Morris Fraser,P. J. Pityn,1994 **The Budget [a Monthly Magazine to Advocate Economy and Efficiency in the Business of Government]** Walter Gray Miller,1923 Advanced Optical Instrumentation for Remote Sensing of the Earth's Surface from Space George E. Duchossois, Frank Leaman Herr, R. Zander,1989 **Academic and Industrial Efficiency** Morris Llewellyn Cooke,1910 The International Bookbinder ,1924
