Optimizing Millennial Consumer Engagement With Mood Analysis Dasgupta, Sabyasachi, Grover, Priya, 2018-07-20

Consumer engagement is becoming crucial to the recall and survival of brands in intense competitive markets. Due to digital innovations, businesses have seen the emergence of the millennial population as a target audience, and many businesses are struggling with adopting methods to engage the generation to leverage an enriched brand experience. *Optimizing Millennial Consumer Engagement With Mood Analysis* is a critical scholarly resource that explores how companies ensure brand sustainability through influencing the minds and moods of consumers to create an interactive customer experience. Featuring coverage on a broad range of topics such as product presentation, brand fandom, social media, lifestyle products, and buying behavior, this book is geared towards marketers, business managers, business practitioners, international business strategists, academicians, consumer researchers, and upper-level graduate students attempting to understand consumer engagement through mood analysis.

Managing Millennials For Dummies Hannah L. Uhl, Lisa X. Walden, Debra Arbit, 2017-04-06

Everything you need to harness Millennial potential. *Managing Millennials For Dummies* is the field guide to people management in the modern workplace. Packed with insight, advice, personal anecdotes, and practical guidance, this book shows you how to manage your Millennial workers and teach them how to manage themselves. You'll learn just what makes them tick; they're definitely not the workers of yesteryear, and how to uncover the deeply inspirational talent they have hiding not far below the surface. Best practices and proven strategies from Google, Netflix, LinkedIn, and other top employers provide real-world models for effective management, and new research on first-wave versus second-wave Millennials helps you parse the difference between your new hires and more experienced workers. You'll learn why flex time, social media, dress code, and organizational structure are shifting and answer the all-important question: why won't they use the phone? Millennials are the product of a different time, with different values, different motivations, and different wants, and in the U.S. they now make up the majority of the workforce. This book shows you how to bring out their best and discover just how much they're really capable of. Learn how Millennials are changing the way work gets done. Understand new motivations, attitudes, values, and drive. Recruit, motivate, engage, and retain incredible emerging talent. Discover the keys to optimal Millennial management. The pop culture narrative would have us believe that Millennials are entitled, lazy, spoiled brats, but that couldn't be further from the truth. They are the generation of change, highly adaptive, bright, and quick to take on a challenge. Like any generation of workers, performance lies in management. If you're not getting what you need from your Millennials, it's time to learn how to lead them the way they need to be led. *Managing Millennials For Dummies* is your handbook for allowing them to exceed your expectations.
