look at how social networks are taking over the news How do you get your news Chances are not from a newspaper or the TV  
that s so old school If you re anything like the rest of us you get it from Facebook or Twitter The great power shift from  
traditional media to social networks is happening right now This boom means that for millions of us our first exposure to  
information about the world comes from our friends not news media But social networks don t do news the old fashioned way  
Because we share stories that make us look good inspire us and fire us up the tone and flavour of the news making process is  
irrevocably altered What does this mean for media For journalists The audience Are we better off or worse off because of it
