*Over 50 and Motivated* Brian E. Howard, 2017-04-01 Book Three in Motivated Series by Brian E Howard

It happened

It may have been a surprise or it could have been anticipated but at this point what does it matter

You lost your job

Or the frustrations at your current job have hit the boiling point

You just can't take it anymore

In either case change is inevitable

But you're over the age of 50 and intellectually or intuitively you know your age could be a factor in your job search and you are right

There are age related biases that exist in the job market that will work against you

According to government statistics job seekers over 50 encounter more difficulty in getting new jobs and suffer notably longer unemployment than their younger counterparts

But these statistics do not have to apply to you

First immediately stop with the worry and negative thinking

You're in a better position than you think

There are employers out there that not only will hire you they are looking for you

The key is to find them sell them on you and get them to hire you

It's not as hard as you may think

In the *Over 50 and Motivated* Brian E Howard will teach you a systematic approach for conducting a real world job search based on years of frontline recruiting experience helping thousands of tenured job seekers just like you

He will teach you how to effectively conduct a job search in today's job market and techniques to successfully combat age biases

He will show you how to get job offers and your next fulfilling career position

Help is at your fingertips
