**School Library Management** Carl A. Harvey II, Audrey P. Church, 2022-03-29 Highlighting activities and discussion questions that will pique student interest and facilitate instruction the 8th edition of this well known school library text gathers management articles into a ready to use volume that showcases current best practices This 8th edition of School Library Management offers a fully updated collection of articles designed to guide both new and practicing school librarians It gathers information about the issues and trends in the field programming ideas and advice from school library leaders Contemporary articles from the past five years of School Library Connection bring this edition up to the present Carefully curated chapters address today s best practices to improve school library programs integrating technology considerations throughout each of the sections Authors cover timely topics such as equity diversity and inclusion budgets copyright librarian professional development evaluation and advocacy Each chapter begins with an introduction to put issues into context and ends with activities that will help librarians further explore All readers will appreciate this volume as one stop shopping for readings that address best practices in light of major new guiding documents and standards in the school library field

**YouTube** Jean Burgess, Joshua Green, 2018-08-28 Since launching as a website for everyday video sharing in 2005 YouTube has become one of the world s most powerful digital media platforms Originally published in 2009 when YouTube was only four years old this book was the first to systematically investigate its cultural impacts and politics highlighting the productive tensions between its amateur community rhetoric and its commercial media logics Since then YouTube has grown as a platform and matured as a company Its business model is built on coordinating the interests of and extracting value from its content creators audiences advertisers and media partners in a commercial setting where YouTube now competes with other powerful social media and streaming television platforms Meanwhile YouTube s diverse communities of content creators who developed the platform s most distinctive cultural forms and genres have strong ideas and interests of their

own While preserving the original edition s forensic analysis of YouTube s early popular culture and uses this fully revised and updated edition weaves fresh examples updated theoretical perspectives and comparative historical insights throughout each of its six chapters Burgess and Green show how over its more than a decade of existence YouTube s dual logics of commerciality and community have persisted generating new genres of popular culture new professional identities and business models for the media industries and giving rise to ongoing platform governance challenges The book is essential reading for anyone interested in the contemporary and future implications of digital media platforms and will be particularly valuable for students and scholars in media communication and cultural studies
