Dummies is fully updated and more practical than ever for today's bloggers. Whether you're just beginning or are already a full tilt blogging maven you'll find the up to date information you need in these friendly pages. Want to integrate your blog with social media? Jump into the fast moving world of microblogging on Twitter or Tumblr. Choose which blogging software to use. Optimize your current blog for search. This detailed book guide covers it all and then some. Buy the book, build a better blog and blog about it. Provides up to date information on blogging software choices and utilities. Explains how to identify your unique niche and attract readers. Walks you through setting up an account and writing your first post. Shows you how to optimize your blog for search so new readers find you. Helps you integrate your blog with social media. Reveals what you need to know to start microblogging on Twitter or Tumblr. Explores the ways you can make money with your blog. Start a conversation with the very latest blog building tips and techniques in *Blogging For Dummies*. *Making a Living Through Blogging* B. Vincent, 2024-12-10. A blog is the most effective method of developing unique material for your existing and potential clients. The first chapter of this book discusses how a blog may benefit your business, how to identify good examples of business blogs and how to decide on the type of content to include on your blog. Chapter two delves into the many blogging platforms available, the optimal frequency with which you should publish content and the most effective methods for distributing your information. Chapter three teaches you how to generate new ideas, maintain a publishing schedule and monetize your blog. Whether you want to create a blog or grow an existing one, this book will teach you everything you need to know. What is your primary point of contact with customers? It's their blog for numerous firms. If your business does not have a blog, you are missing out on an important source of new clients and higher revenue from existing customers. Consider the following statistics: Nearly 20 million people own blogs, accounting for 23% of total internet usage. 81 percent of online consumers in the United States place their trust in the information and advice provided by blogs. 61 percent have purchased anything as a result of a blog recommendation. Small businesses that blog get a 126 percent increase in lead growth, while B2B marketers who blog see a 67 percent increase in lead growth. Whether your business is brand new or is establishing a presence in the industry, a blog is an invaluable resource. The sooner you establish it, the more time it will have to establish reputation and a following. A blog enables you to develop your brand's voice, increase your SEO and expand your reach by providing content for social media sharing. *Blogging For Dummies* Amy Lupold Bair, Susannah Gardner, 2013-12-05.
