Congressional Record United States. Congress,1974 **Handbook of Religion and Social Institutions** Helen Rose Ebaugh,2007-10-23 Handbook for Religion and Social Institutions is written for sociologists who study a variety of sub disciplines and are interested in recent studies and theoretical approaches that relate religious variables to their particular area of interest The handbook focuses on several major themes Social Institutions such as Politics Economics Education Health and Social Welfare Family and the Life Cycle Inequality Social Control Culture Religion as a Social Institution and in a Global Perspective This handbook will be of interest to social scientists including sociologists anthropologists political scientists and other researchers whose study brings them in contact with the study of religion and its impact on social institutions **Jobs for Young People: a Way to a Better Future** ,1988 We must conclude by warning that the severity of youth employment problems today pales to insignificance beside those which could be face in the future in developing countries These countries face a pattern of escalating proportions Their youth population is projected to rise by more than 125 million over 16 per cent by the end of the century In Africa the youth population could triple over the next forty years The population increase in urban areas might be even more dramatic since the natural increase could continue to be augmented by rural urban migration By 2000 half the youth of developing countries could live in cities There will be a massive increase too in the number of educated youth School enrolment in developing countries is spreading fast despite severe resource constraints The prospects are in one sense alarming But looking to the future the energies and economic potential of youth should be seen positively as a potential dynamic element in growing economies rather than merely as a problem If societies are willing to invest in youth it will repay that investment many times over From the Report Unemployment involves wasted resources but it is also a wider human problem The loss is not just economic Youth is a period of transition from childhood to adulthood of energy and of willingness to learn and serve With work this can be directed towards a common benefit without work it is dissipated or even channelled into anti social behaviour From the Foreword by the Commonwealth Secretary General **Recruiter Journal** ,2006 **Congressional Record** United States.
