Teacher's Manual for All Ye Lands: World Cultures and Geography, ,      **Theunion** Joan H. Richardson, 2011 The Union is a prophetic message that confronts deceptive and divisive strongholds of the last days churches Let the Holy Spirit our Teacher untangle the confusion that has divided us by blinding us to the pure Word of God The uniqueness of The Union lies in its goal of perfect unity among Jewish and gentile believers through the singular nature of Truth To that end revelations of deep formerly hidden passages bring mysteries to light in this eye opening Biblical exposition Search and find hidden manna that brings us into the fullness of life in Christ Discover how God s covenants clarify a single gospel to us all Examine the Jewish roots of the Christian faith to appreciate the unity of the Scriptures and let the Word of God lead us into The Union at last The integrity of the Word advances through The Union to purify and prepare the elect Today it is urgent that those who profess faith in the Savior receive the Word of God in preference to the words of men With nearly three thousand verses Repent and believe all the Scriptures is the charge of The Union to the churches in these extraordinary times The Messiah will return for a blameless and spotless Bride holy in faith and conduct Be prepared to meet Him is the resonant call of The Union Former co host of the internationally syndicated radio program Man Alive Joan Richardson is anointed with the gift of prophecy as a motivational speaker evangelist and author      *Christian-Muslim Relations.
