**The September Letters** Maeve Binchy, 2016-05-08 A Vintage Shorts Short Story Month Original Selection It starts out like any other dull day in a busy airport bar James the bartender would much rather serve regulars at a local pub than cranky travelers Katy and Colin have been involved in a longtime affair that comes to literal blows when he reveals that

he hasn't kept his promise to leave his wife. Between some quick thinking by James and the kindness of an American couple Jean and Maurice the situation is defused. And Jean's insistence that they all stay in touch sparks friendships that are maintained across the ocean. But after nearly a decade of writing annual letters she reveals a secret that casts the events of that day in a whole new light. The recent New York Times best seller *A Few of the Girls* is a collection of Maeve's beloved short stories that one reviewer called reminiscent of a letter from an old friend. We are lucky that there are even more stories for her readers. In *The September Letters*, never before published in the United States, Maeve once again brings us into the lives of ordinary people where chance meetings have the potential to change lives. An ebook short      Buzz Books 2014: Spring/Summer ,2014-01-08 There's nothing like the excitement of being one of the first people to discover a great new read. Now in its fourth edition Buzz Books has proven itself as the place where book publishing insiders and passionate book lovers alike can get their first taste of some of the year's most extraordinary new books. The overwhelming majority of our selections go on to win awards and appear on booksellers' monthly lists of best books as well as best books of the year from many sources while topping bestseller lists and reading group selections as well. Some people think of the spring and summer publishing seasons as a quieter time but last year's Buzz Books collection provided early looks at such books as Philipp Meyer's *The Son*, Kate Atkinson's *Life After Life* and Anthony Marra's debut *A Constellation of Vital Phenomena* all hailed as among the year's very best novels. Inside the book business this volume also coincides with one of the most important industry events, the American Booksellers Association's Winter Institute. This is an annual gathering of 500 independent booksellers, now a major launch pad for the spring and summer seasons where dozens of authors, including ten of those whose work is included here, sign pre-publication galleys and discuss their forthcoming books informally with bookstore owners. Instead of keeping that industry buzz closed off in the room with that small group of lucky booksellers, we're giving everyone the same kind of access to checking out the newest voices the publishing industry is building for the next season. Samples of novelists you may already know and love include new books from British authors Jojo Moyes *One Plus One* and Edward St Aubyn *Lost for Words* alongside bestselling writers Robyn Carr *Four Friends* and Greg Iles, now with a new publisher for his latest thriller *Natchez Burning*. We preview Giller Prize winner Joseph Boyden's *The Orenda*, already lavishly honored in Canada, plus praised novelists Jean Kwok, known for *Girl in Translation*, and Maggie Shipstead, author of *Seating Arrangements*, return with their anticipated second novels. This edition's collection of highly anticipated debuts includes everything from screenwriter Laline Paull's *The Bees* and Marie Helene Bertino's *2 A.M. at The Cat's Pajamas* to a posthumous roman clef from magazine journalist Michael Hastings to bestselling narrative nonfiction author of *Burning Down the House*, the basis for the movie *The Social Network*, Ben Mezrich's *Seven Wonders*. Our selection of nonfiction is modest in quantity but broad in range, from Twitter co-founder Biz Stone to author of bestselling *Nickel and Dimed*, Barbara Ehrenreich's memoir. We also include memoir with recipes from Leah Eskin and in letters from Nina Stibbe, plus the latest

from bestselling science journalist Sam Kean Our biggest ever section of young adult literature mirrors the growing popularity of these works among readers young and not so young Sally Green's *Half Bad* is already an international publishing sensation ahead of its release with sales in dozens of territories We sample new works from well known authors such as Ann Brashares and Lemony Snicket alongside *Twilight New Moon* director Chris Weitz's *The Young World* the first in a new series and Scholastic editor Amanda Maciel's *Tease* There is something here for every reader's taste and the selections are roughly organized by genre and then publication date For a broader picture of new books on the horizon fill your to be read lists with the extensive preview of the publishing seasons that starts off Buzz Books We love providing these exciting excerpts ahead of publication and you can share this free ebook with friends and spread your enthusiasm for any of these selections online Buzz Books can be downloaded for free from any major ebookstore and we have included direct links to pre order the full book after each excerpt
