Christianity Truth And Weakening Faith A Dialogue Tbsh:

Truth in a Culture of Doubt Andreas J. Köstenberger, Darrell L. Bock, Joshua D. Chatraw, 2014-09-01 Truth in a Culture of Doubt takes readers on a journey to explain topics such as the Bible's origins, the copying of the Bible, alleged contradictions in Scripture, and the relationship between God and evil. Responding to skeptical scholars such as Bart Ehrman, professor at UNC Chapel Hill and author of four New York Times bestsellers, this book is written for all serious students of Scripture and will enable you to know how to respond to a wide variety of critical arguments raised against the reliability of Scripture and the truthfulness of Christianity.

Christianity: Opium Or Truth?: Answering Thoughtful Objections to the Christian Faith John C. Lennox, David W. Gooding, 2020-07-16 Is Christianity just a belief that dulls the pain of our existence with dreams that are beautiful but false? Or is it an accurate account of reality, our own condition, and God's attitude toward us? Gooding and Lennox address crucial issues that can make it difficult for thoughtful people to accept the Christian message. They answer those questions and show that clear thinking is not in conflict with personal faith in Jesus Christ.

Between Two Truths Klyne Snodgrass, 2004-09-30 Do you find yourself always struggling with two sides of an issue? Do some of the key truths of Christianity seem mutually exclusive? Don't be surprised. All of life, including Christian life, is lived between truths, none of which may be relinquished. Both the Bible and theology acknowledge that life is filled with tensions that do not permit easy answers. In Between Two Truths, theologian Klyne Snodgrass presents a readable biblical approach to understanding such tensions. He argues, in fact, that they are a wellspring of peace and creativity for anyone dedicated to walking in the footsteps of Jesus. This book addresses the tensions all Christians face, dealing with all the peaceful and creative tensions that are part of the fabric of Christian faith. This book does not give simplistic answers to difficult questions; rather, it invites the reader to celebrate the rich and vibrant tensions of God's eternal truth.

Deceived Dg Barker, 2018-03-23 The Truth about Christianity explores the irreconcilable differences between the Christian faith and those who challenge the Bible as a book of myths and fairy tales. Most people believe modern science has rendered belief in Scripture as ingenuousness. Christians vehemently fight that label. Pragmatically, though, the truth can be determined using reason, logic, and indisputable science. Deceived uses these paradigms to guide to the inevitable conclusion about which worldview can be supported by the facts, and not a person's own personal preconceptions. Something everyone has, whether they wish to admit it or not, is a person's bias and beliefs cloud judgment when subjected to another worldview. It is only through stringent analysis that a person can objectively weigh the evidence to see whether or not it passes the tests of reason, practice, and experience. Then, and only then, can the truth be known. After reading Deceived, you will know whether or not your worldview is supported by the unadulterated facts.

That's Just Your Interpretation Paul Copan, 2001-11-01 In our relativistic society, Christians more than ever are bombarded by tough questions about their faith. Author Paul Copan has observed that many of these questions emerge as anti-truth claims that are part of today's skeptical mind set. Christians

defending their faith often hear slogans and questions such as It's all relative Everything is one with the Divine all else is illusion The Gospels contradict each other Why would a good God create hell This book provides incisive answers to slogans related to truth and reality theism pantheism Eastern religion and naturalism and doctrinal issues such as the incarnation and truth of Scripture Each of the twenty two chapters provides succinct answers and summary points for countering the arguments Copan's book is accessible for all Christians who want to defend the plausibility of Christianity in the marketplace of ideas It also includes helpful summary sections additional resources and additional documentation in the endnotes for review and discussion

Living Truth, Truthful Living Winifred Wing Han Lamb, 2004 The author maintains that suspicion can open up spaces for dialogue in apologetical encounter since both suspicion and biblical faith are concerned in principle at least with ruthfulness She argues that suspicion is a scalpel to faith because it can carry challenge and discomfort as well as insight and healing

Saving Truth Abdu Murray, 2024-04-16 How can Christians defend truth and clarity to a world that rejects both Increasingly Western culture embraces confusion as a virtue and decries certainty as a sin Those who are confused about sexuality and identity are viewed as heroes Those who are confused about morality are progressive pioneers Those who are confused about spirituality are praised as tolerant Conversely those who express certainty about any of these issues are seen as bigoted oppressive arrogant or intolerant This cultural phenomenon led the compilers of the Oxford English Dictionary to name post truth their word of the year in 2016 It's popularity and relevance has only increased since then By accurately describing the Culture of Confusion and how it has affected our society author Abdu Murray seeks to awaken Westerners to the plight we find ourselves in He also challenges Christians to consider how they have played a part in fostering the Culture of Confusion through bad arguments unwise labeling and emotional attacks Ultimately Saving Truth provides arguments from a Christian perspective for the foundations of truth and how those foundations impart clarity to the biggest topics of human existence Freedom Human dignity Sexuality Gender and Identity Science and Faith Religious pluralism and Morality For those enmeshed in the culture of confusion Saving Truth offers a way to untangle oneself and find hope in the clarity that Christ offers

WAKE UP! You Are Not Really a Christian and Here is Why Dean Larson, 2020-04-28 If you have ever sat in church and said This doesn't make sense If what you believe isn't the truth would you want to know it If so this book is for you We are going to discuss the tough questions that many people have about God Christianity and the Bible In the title of this book I make a bold claim I state that you are not really a Christian Did you know Christ never said he came to die or take on your sins Christ never taught about the resurrection Christ never said there is original sin That according to Christ and God there isn't a new covenant That according to Christ and God there isn't vicarious atonement That the teaching of none righteous contradicts the teachings of Christ and God That the teaching of without the shedding of blood there is no remission contradicts the teachings of Christ and God That the teaching of faith counted for righteousness contradicts the teachings of Christ and God That the teaching of being saved contradicts the teachings of Christ and God Why are the books in the New Testament deliberately out of order Don't Lie to Me That's the thought I had that motivated me to search for the answers I will provide extremely detailed proof of everything I am discussing in the Evidence section of this book A true Christian follows the teachings of Christ I will prove to you that you may not be a true Christian because you do not follow

the teachings of Christ Furthermore there is a high probability that you don't even know the original teachings of Christ We are going to discuss the tough questions that many people have about God Christianity and the Bible **Christianity's Most Dangerous Idea (Ebook Shorts)** Kenneth Richard Samples, 2013-05-01 Ideas have consequences sometimes far reaching and world changing The Christian faith contains many volatile truths that challenged and continue to challenge the cultural and religious status quo of the world None of these have been so world changing as the assertion that Christ was raised from the dead In a world where Christian belief and practice are increasingly under fire this short ebook will give you the confidence to impact the world for Christ for good Revolt Against Reality Gary Michuta, 2021-10-15 *Has Christianity Failed You?* Ravi Zacharias, 2010-07-06 In 2006 Ravi Zacharias International Ministries RZIM held an open forum at the Fox Theater in Atlanta to address the subject *Has Christianity Failed You* Tickets were sold for the event and to the complete surprise of everyone the event was sold out with a capacity crowd of over 5 000 People lined up offering to buy tickets from folks in line for higher prices Before the event an RZIM cameraman walked the streets and asked people if they had rejected the faith they held at one time One answered that because of a Christian's rejection of his gay lifestyle he had done just that Another answered that she had left her faith because she had fallen into adultery and could never live it down in the church Others had their own reasons Some said it was just intellectually untenable in an age of reason They chose to come to the event to judge if there were adequate answers It is estimated that for every one person who writes a letter or attends an event there are one thousand who agree If the Atlanta crowd was any indication the question is real and troubling Why is it that many live with silent doubt many leaving the evangelical fold for something else Is there something wrong with the message the communicator the hearer or is it all three It's time to ask the hard questions of what it means to be a follower of Jesus Christ and why it seems as though God has made it so hard to continue believing In fact the son of a prominent US Senator phoned me with that very question Why has God made it so hard to believe in Him Such skepticism is not just representative of the hostile it also represents many honest questioners This book attempts to lay out the response to those within as well as those outside the Christian faith so as to understand what it is we believe and why it is so hard to do so More to the point Why it is actually so hard to deny God and still make sense out of life In the end the answers should be both felt and real with the added truth that God is nearer than you think He desires that we sense Him very near to us and not distant But closeness comes at a cost just as any relationship of love and commitment does *Christian Controversies* Scott Haraburda, 2013 The Greatest is Love God wants us to love our neighbors If this is the premise of being Christian then why do thousands of denominations claim to be the right and true one implying that all others are false The author searches for truth and explores real world issues concerning Christians throughout history and today and the future of Christianity in this ever changing world Join the author as he challenges you to think outside of your comfort zone and questions what you might have been told not to question about the Word of God This book contains many facts and true stories some you might

recognize and some from the author's own life as he logically discusses controversial subjects such as a Perfect Bible sex lying killing ethics Christian leadership Bible thumping judgment and women's rights It is well documented and written in easy to understand language to arm you with the knowledge you need to discuss Scripture in an educated and meaningful way and to develop a real world perspective of Christianity a must read for all who profess to be Christian *Can We Still Believe in God?* Craig L. Blomberg, 2020-06-16 People regularly give certain reasons for not believing in God but they are much less aware of what the New Testament actually teaches Although challenges to Christianity are perennial and have frequently been addressed they are noticeably more common today and are currently of particular interest among evangelicals Skeptics of Christianity often ask highly regarded biblical scholar and popular speaker Craig Blomberg how he can believe in a faith that seems so problematic How can God allow evil and suffering Isn't the Bible anti women anti gay and pro slavery Isn't the New Testament riddled with contradictions What about the nature of hell violence in Scripture and prayer and predestination Following the author's successful *Can We Still Believe the Bible* this succinct and readable book focuses on what the New Testament teaches about 10 key reasons people give for not believing in God **The Disappearance of God** Dr. R. Albert Mohler, 2009-05-05 Great biblical truths are meant not only for our intellectual acceptance but for our spiritual health Dr Al Mohler More faulty information about God swirls around us today than ever before No wonder so many followers of Christ are unsure of what they really believe in the face of the new spiritual openness attempting to alter unchanging truth For centuries the church has taught and guarded the core Christian beliefs that make up the essential foundations of the faith But in our postmodern age sloppy teaching and outright lies create rampant confusion and many Christians are free falling for feel good theology We need to know the truth to save ourselves from errors that will derail our faith As biblical scholar author and president of The Southern Baptist Theological Seminary Dr Albert Mohler writes The entire structure of Christian truth is now under attack With wit and wisdom he tackles the most important aspects of these modern issues Is God changing His mind about sin Why is hell off limits for many pastors What's good or bad about the dangerous emergent movement Have Christians stopped seeing God as God Is the social justice movement misguided Could the role of beauty be critical to our theology Is liberal faith any less destructive than atheism Are churches pandering to their members to survive In the age old battle to preserve the foundations of faith it's up to a new generation to confront and disarm the contemporary shams and fight for the truth Dr Mohler provides the scriptural answers to show you how
