Berglund,1985 Robert Berglund says a worship service is not a concert time It is not an hour of entertainment It is a time to worship God in spirit and in truth In the Christian realm however the worship service seems to be a musical battleground On one hand church music is seen as utilitarian Its only purpose is to allow worship to begin or continue throughout a church service On the other hand music can exist purely for entertainment But is a worship service the place for entertainment Shouldn t a worship service be designed only to worship God A Philosophy of Church Music presents an integrated look at church music Theological philosophical and psychological responses to the question of appropriate and consistent church music are considered to assist you in developing your personal church music philosophy Jacket      *The White List of the Society of Saint Gregory of America* Society of St. Gregory of America.
