**Click** Ori Brafman, Rom Brafman, 2011-07-05 You know the feeling You meet someone new at a party or at work and you just hit it off There is an instant sense of camaraderie In a word you click From the bestselling authors of Sway Click is a fascinating psychological investigation of the forces behind what makes us click with certain people or become fully immersed in whatever activity or situation we re involved in From two co workers who fall head over heels for each other while out to dinner and are married a month later and fifteen years later remain just as in love to a team of scientists who changed the world with the magic of their invention these kinds of peak experiences when our senses are completely focused on the moment are something that individuals and companies strive to achieve After all when you re in the zone you re happier and more productive Why is it that we click in certain situations and with certain people but not with others Can this kind of magical connection be consciously encouraged Is there a way to create such peak experiences whether on a date or in your job According to Ori and Rom Brafman there is In a powerful story driven narrative that weaves together cutting edge research in psychology and sociology the Brafmans explore what it means to click the common factors present when our brain and senses are fully engaged They identify five accelerators that increase the likelihood of these kinds of magic connections in our work and relationships From actors vying for a role on a popular TV series to police officers negotiating with hostage takers we learn how one can foster an environment where we can click with another person and shape our thinking behavior and emotions A fascinating journey into how we engage with the world around us Click will transform our thinking about those moments when we are in the zone and everything seems to fall into place Acclaim for Sway A provocative new book about the psychological forces that lead us to disregard facts or logic and behave in surprisingly irrational ways New York Times A unique and compulsively readable look at unseen behavioral trends Fortune A breathtaking book that will challenge your every thought Sway hovers above the intersection of Blink and Freakonomics Tom Rath coauthor of the New York Times 1 bestseller How Full Is Your Bucket An engaging journey through the workings and failings of the mind Their stories of senselessness are as fascinating as the lessons we learn from them Fast Company Count me swayed but in this instance by the pull of entirely rational forces Ori and Rom Brafman have done a terrific job of illuminating deep seated tendencies that skew our behavior in ways that can range from silly to deadly We d be fools not to learn what they have to teach us Robert B Cialdini author of New York Times bestseller Influence If you think you know how you think you d better think again Take this insightful delightful trip to the sweet spot where economics psychology and sociology converge and you ll discover how our all too human minds actually work Alan M Webber founding editor of Fast Company **Click** Ori Brafman, Rom Brafman, 2011 From the bestselling authors of Sway Click is a fascinating psychological investigation of the forces behind how we fully engage with people work and everything we do [Summary of Ori Brafman & Rom Brafman's Click](#) Everest Media, 2022-05-21T22:59:00Z Please note This is a companion version not the original book

Sample Book Insights 1 At a Pasadena hotel Paul was about to do something impulsive even by his standards He was in charge of the proposal for a 15 billion project to clean up a nuclear weapons facility in Colorado He had assembled a team of experts from around the world 2 When we click with someone we feel a deep and meaningful connection with them and the world around us It can be difficult to explain but it is something that only happens to us when we are with someone who clicks with us 3 The instant connection between two people can be just as deep and meaningful as romantic love It can be found in the most unexpected of places and can change the course of a person s career 4 When we click with someone we experience a unique euphoric state We permanently alter the fundamental nature of our relationship and it can elevate our own personal abilities

**Enchantment** Guy Kawasaki,2012-12-31 Enchantment as defined by bestselling business guru Guy Kawasaki is not about manipulating people It transforms situations and relationships It converts hostility into civility and civility into affinity It changes skeptics and cynics into believers and the undecided into the loyal Enchantment can happen during a retail transaction a high level corporate negotiation or a Facebook update And when done right it s more powerful than traditional persuasion influence or marketing techniques Kawasaki argues that in business and personal interactions your goal is not merely to get what you want but to bring about a voluntary enduring and delightful change in other people By enlisting their own goals and desires by being likable and trustworthy and by framing a cause that others can embrace you can change hearts minds and actions

*The Shibumi Strategy* Matthew E. May,2010-10-12 Gold Medal Winner Business Fable 2012 Axiom Business Book Awards A personal leadership fable on applying principles of Zen to work life choices The Shibumi Strategy is a little book about a big breakthrough It tells the story of a hardworking family man who finds himself in crisis when his company closes Through his struggle and guidance from unlikely sources he learns subtle lessons in the form of personal zen principles coming to understand that it is often the involuntary challenge the setbacks that harbor the power to transform When approached as an opportunity no easy task when simple survival is the first order of business unforeseen trials can sometimes result in an altogether new lease on life Shows how personal leadership can lead to real and not always easy breakthroughs Includes key lessons on commitment preparation struggle breakthrough and transformation Is based on Shibumi a Japanese word without literal definition that describes the height of personal excellence elegant performance and effortless effectiveness For those struggling with personal breakthroughs The Shibumi Strategy offers a new way to face work and life challenges for balanced solutions

**SHE'S THE BOSS. RISE OF WOMEN LEADERS** Rajeev R Sharma,2022-05-24 Women face different roadblocks from men as they advance in their careers Their scripts are different From early childhood girls are taught that their ultimate success depends upon acting in certain stereotypical ways such as being polite soft spoken compliant and relationship oriented So women wind up acting like girls even after they are grown up They have to learn that they have choices Behaviors that were appropriate in girlhood but not in womanhood may be contributing to their career stagnation plateauing or even derailing from their career path Nice girls

don't enter the corner office says bestselling author Lois P. Frankel. Success doesn't come from acting more like a man but by acting more like a woman instead of a girl. This book based on leadership research interviews and insights from thousands of successful women participating in UN Global Compact Network India's Developing Women Leadership A Roadmap to Success workshops will enable upcoming and successful women leaders to exhibit courage to speak to the unspoken. Make decisions without being overly concerned with what others will say. Turn weaknesses into strengths by leading with heart and vulnerability. Leverage workplace relationships to their advantage. Learn how to negotiate and say no gracefully. Maintain work-life harmony. Practice and replicate proven skills of successful women leaders. She's The Boss: How Women Leaders Rise is about empowerment. It is a must-have book for any woman looking to get ahead. It does not matter whether you are a young corporate executive, CEO of a start-up, captain of a sports team, head of an academic institution or a political leader, this book will guide you to avoid the pitfalls women leaders often make in their careers, adapt to successful women's leadership styles, direct your destiny and move you into your company's executive suite.

*Body & Soul*, 2010      **The Writers Directory**, 2013      Han Xin Yue Kan, 2012      **Click** Brafman, Ori Brafman, Rom Brafman, 2010. In a book that combines psychology and sociology with an insightful understanding of human interactions, Ori and Rom Brafman have written a compelling narrative that helps us to understand the magic behind those moments when we form an incredible connection with other people or which cause us to become fully engaged in whatever we are doing. In a page-turning narrative in the fashion of their previous book *Sway*, the co-authors explore those peak moments in our lives when people or hobbies or activities fully engage our attention when they click with us. Drawing from recent research in psychology and sociology and told through the same kinds of engaging stories that made *Sway* a New York Times bestseller, *Click* takes us on a roller coaster journey of discovery into those moments in our lives when we are in the zone when the rest of the world drops away and everything seems to fall into place.
