**Logical:** Explain the causes and consequences of World War I in a straightforward manner.

**Engaging:** Make the response engaging by including anecdotes and real-life examples.

**Actionable:** Provide recommendations for preventing similar conflicts in the future.

**Responsible:** Focus on the impact of World War I on global politics and society.

## STAR FRAMEWORK

STAR stands for Situation, Task, Action, and Result

For example:

**Situation:** Imagine you are a travel agent planning an itinerary for a family vacation.

**Task:** Recommend popular tourist destinations in Europe suitable for families.

**Action:** Consider factors like family-friendly attractions, ease of transportation, and accommodation. **Result:** Provide a list of top destinations with brief descriptions and reasons for their suitability.

## APPROACH FRAMEWORK

APPROACH stands for Audience, Purpose, Priorities, Results, Openness, Assumptions, Concerns, Help

For example:

**Audience:** Assume the role of a software developer with intermediate experience.

**Purpose:** Provide recommendations on selecting the right programming language for a web development project.

**Priorities:** Consider factors such as ease of use, community support, scalability, and the availability of resources.

**Results:** Suggest the most suitable programming language based on the given project requirements.

**Openness:** Be open to exploring alternative options and discussing pros and cons.

**Assumptions:** Assume the project requires building a dynamic web application with database integration.

**Concerns:** Consider potential performance issues, the learning curve, and compatibility with existing infrastructure.

**Help:** Offer additional resources or references for further exploration, if needed.
