Ultimate Newsletter Business Ideas For Beginners For Millennials:

Culture Wins William Vanderbloemen, 2018-03-20 What could your company accomplish if it could attract and retain employees who buy into your organization's mission 100% *Culture Wins* is a practical yet challenging modern guidebook for organizations that want to own the future Its firsthand insights into building a contagious culture will drive sustainable growth and innovation for any organization You will build a healthy workplace increase revenue and change the world with the lessons you'll learn Stop losing employees grow your team and build a contagious company culture that outlasts the competition There are books on general team building there are books on workplace best practices and there are books on leadership but there is not a book that shows forward thinking leaders how to integrate it into today's new job hopping culture William Vanderbloemen uses his company's proven experience in staffing and organizational consulting to provide a global perspective of effective thriving cultures and how to create them

Is Corporate Capitalism the Best We've Got to Offer? Michael Schluter, 2023-06-26 How you can help make companies markets and government fit for purpose If we are serious about transforming capitalist economies we need to start by looking at how these systems connect us as human beings Today few relationships are personal Instead we are linked en masse through vast complex networks financial political social digital The shape and rules of engagement of those networks exerts a powerful influence on our behaviour as governments as companies as NGOs and as individuals At the same time these networks seem to be beyond the possibility of being influenced let alone controlled by governments other individual companies the media NGOs or us as individuals The major challenge facing us is not about ethics Rather it is to design companies markets and government in such a way that the pursuit of justice and sustainability no longer competes with the pursuit of wealth but instead forms a self reinforcing virtuous cycle
