 Electrolytes often this is the person with the health problem but it may also be a significant other relative friend or another
 nurse Decide whether the stem is a true response stem or a false response stem With a true response stem the correct
 answer will be a true statement and vice versa Determine what the question is really asking sometimes referred to as the
 issue of the question Evaluate all answer options in relation to this issue and not strictly to the correctness of the statement
 in each individual option Eliminate options that are obviously incorrect then go back and reread the stem Evaluate the
 remaining options against the stem once more If two answers seem similar and correct try to decide whether one of them is
 more global or comprehensive If the global option includes the alternative option within it it is likely that the more global
 response is the correct answer THE NCLEX RN LICENSING EXAMINATION The NCLEX RN licensing examination is a
