CLIL An Interview With Professor David Marsh In Journal:

Content-based Language Learning in Multilingual Educational Environments Maria Juan-Garau, Joana Salazar-Noguera, 2014-11-17 The spread of English as an international language along with the desire to maintain local languages lead us to consider multilingualism as the norm rather than the exception Consequently bi multilingual education has bloomed over the last decades This volume deals with one such type of education currently in the spotlight as an essentially European strategy to multilingualism CLIL Content and Language Integrated Learning in which curricular content is taught through a foreign language The book contributes new empirical evidence on its effects on linguistic and attitudinal outcomes focusing on bi multilingual learners who acquire English as an additional language Moreover it presents critical analyses of factors influencing multilingual education the effects of CLIL on both language and content learning and the contrast between CLIL and other models of instruction The research presented suggests that CLIL can greatly enhance language acquisition in multilingual settings
