Close Protection Sample Exam Questions Security Training:

Professional Security Management Charles Swanson, 2020-06-10 Historically security managers have tended to be sourced from either the armed forces or law enforcement But the increasing complexity of the organisations employing them along with the technologies employed by them is forcing an evolution and expansion of the role and security managers must meet this challenge in order to succeed in their field and protect the assets of their employers Risk management crisis management continuity management strategic business operations data security IT and business communications all fall under the purview of the security manager This book is a guide to meeting those challenges providing the security manager with the essential skill set and knowledge base to meet the challenges faced in contemporary international or tech oriented businesses It covers the basics of strategy risk and technology from the perspective of the security manager focussing only on the need to know The reader will benefit from an understanding of how risk management aligns its functional aims with the strategic goals and operations of the organisation This essential book supports professional vocational accreditation and qualifications such as the Chartered Security Professional CSyP or Certified Protection Professional CPP and advises on pathways to higher education qualifications in the fields of security and risk management It is ideal for any risk manager looking to further their training and development as well as being complementary for risk and security management programs with a focus on practice

Gender and Private Security in Global Politics Maya Eichler, 2015 The contributors consider how to reform and regulate private forces This feminist analysis of private militaries drawing on concerns regarding power justice and equality contains essays in four parts Beyond the Public Private Divide Feminist Analyses of Military Privatization and the Gendered State Rethinking the Private Military Contractor I Third Country Nationals and the Making of Empire and II Masculinities and Violence Private In Security Gendered Problems of Accountability Regulation and Ethics

Studying the Agency of Being Governed Stina Hansson, Sofie Hellberg, Maria Stern, 2014-09-15 This edited volume seeks to provide guidance on how we can approach questions of governing and agency particularly those who endeavour to embark on grounded empirical research by rendering explicit some key challenges tensions dilemmas and confluences that such endeavours elicit Indeed the contributions in this volume reflect the growing tendency in governmentality studies to shift focus to empirically grounded studies The volume thus explicitly aims to move from theory to practice and to step back from the more top down governmentality studies approach to one that examines how one can does study how relations of power affect lives experience and agency This book offers insight into the intricate relations between the workings of governing and the possibility for people s agency on the one hand and about the possible effects of our attempts to engage in such studies on the other In numerous ways and from different starting points the contributions to this volume provide thoughtful insights into and creative suggestions for how to work with the methodological challenges of studying the agency of being governed This work will be of great interest to students and scholars of international relations global governance

and research methods *The Oxford Handbook of Law and Anthropology* Marie-Claire Foblets, Mark Goodale, Maria Sapignoli, Olaf Zenker, 2022 Represents a comprehensive and interdisciplinary treatment to the field of law and anthropology Decenters the standard Anglo Euro centric bias that prevails in both law and anthropology Gives unique perspectives on issues of contemporary relevance Provides the historical background but focuses on the future of the field Book jacket
