Main, 2022-01-04 How a more positive form of identity politics can restore public trust in government Illiberalism Thomas Main writes is the basic repudiation of liberal democracy the very foundation on which the United States rests Itsays no to electoral democracy human rights the rule of law toleration It is a political ideology that finds expression in such older right

wing extremist groups as the Ku Klux Klan and white supremacists and more recently among the Alt Right and the Dark Enlightenment There are also left of center illiberal movements including various forms of communism anarchism and some antifascist movements The Rise of Illiberalism explores the philosophical underpinnings of this toxic political ideology and documents how it has infiltrated the mainstream of political discourse in the United States By the early twentieth century Main writes liberal democracy's failure to deal adequately with social problems created a space illiberal movements could exploit to promote their particular brands of identity politics as an alternative A critical need thus is for what the author calls positive identity politics or a widely shared sense of community that gives a feeling of equal importance to all sectors of society Achieving this goal will however be an enormous challenge In seeking actionable remedies for the broken political system of the United States this book makes a major scholarly contribution to current debates about the future of liberal democracy
