**Small By Design** David Feldman,2022-05-10 Small companies create value in unique ways often outperforming much larger competitors In Small by Design The Entrepreneur s Guide For Growing Big While Staying Small entrepreneur David Feldman reveals how small businesses can make a major impact with a minimalist mindset The value a company creates is not a function of its size and according to Feldman the clutter of conventional growth often crowds out actual impact It s far better to assemble the truly essential resources and learn to apply them well all while staying deliberately intentionally and proudly small by design Small by Design is not for companies hoping to appear bigger than they are it s about becoming confident in their small size and being proud of that choice Staying small often lends itself to a competitive advantage and though this doesn t happen automatically neither does mimicking the strategies of multinationals **Help! My Kid wants to be an Influencer** TL Kerry,2025-09-22 This is an absolute must read book for any parent whose kid is thinking about being an Influencer or a kid with aspirations of influencing It is a fascinating real life 5 year account from my perspective as a mother of a young daughter that chose influencing over University It pulls no punches and highlights the good the bad and the ugly of becoming an Influencer From her first TikTok post to current day working with high end brands it documents the challenges the pitfalls the highs and lows over this rollercoaster period This book opens up many thought provoking areas you might not even have considered It acts as a great reference point for parents of would be influencers and influencers themselves It gives raw insight into the real world of influencing If your son or daughter has dreams of working in this industry this book will see you well prepared for what is to come Enjoy the book [Adolescent Use of New Media and Internet Technologies](#) Gordon P. D. Ingram,2023-03-31 This book engages with contemporary and often polarizing debates surrounding the risks of adolescent use of digital media and internet technologies By drawing on multiple research studies the text synthesizes current understandings of the impacts of social network use online gaming pornography and phenomena including cyberbullying cyberstalking and internet addiction to develop recommendations for the effective identification of at risk youth as well as strategies for informed communication about online risks and opportunities It shows how media discussion of risks to children and teenagers from new technology is highly emotive and often exaggerated rooted in the moral panic surrounding new cultural practices that young people engage in but which adults do not understand Online risks are thus conceptualized as centering on three areas specific to adolescence which have undergone radical changes due to new internet technology These include young people s identity the types of content that are accessed and social relationships The author shows how these matters stem from the potential of new technology to establish new interpersonal connections emphasizing how it brings opportunities as much as risks As such he provides a uniquely balanced discussion of potential dangers while also emphasizing the opportunities for social academic and personal growth which new technologies afford young people It will be indispensable for researchers and clinicians interested in assessing levels of online risk as well as
