Youth Mediations and Affective Relations Susan Driver, Natalie Coulter, 2018-10-01 Youth Mediations and Affective Relations explores dynamic and expansive possibilities of young people's affective lives as they engage with diverse social media in prolific and specific ways. Furthermore, it explores the relational and contextual dimensions of their everyday interactions. Against static knowledge and moral panics that abstract youth from the complex and changing worlds in which they grapple with digital media, this book hones in on the layered textures of youth experiences to consider how today's youth think and feel in subtle and unexpected ways.
