Hernández, 2023-09-01 By sharing the collective experiences of Latinas in Higher Education this book provides a diverse range of empowering testimonios from Chingonas living on their own terms who are defining

professionalism for themselves Chingona means badass and is a term that has been reappropriated by Latinas as an expression of empowerment both inside and outside of education This anthology is a collection of twelve voices representative of the experiences of empowered Chingonas across various roles in higher education who identify as Latinas This volume shares the knowledge of Chingona Latina women including their thoughts around authenticity identity and the disruption of dominant cultural experiences within the institution It also seeks to help other Latinas realize that they are not alone in their experiences with higher education This book includes questions for reflection and writing prompts allowing readers to consider their own lived experiences and envision change This collection will be important reading for undergraduate and postgraduate students in education related programs including Higher Education Studies and Educational Leadership as well as courses in Ethnic Studies Chicana o x Studies Latinx a o Studies and Women s Studies It also offers an invaluable learning opportunity for higher education professionals leaders and administrators especially within student affairs

Work Less Jon Peirce, 2024-01-02 You can t have a healthy economy with an unhealthy work force *Work Less* proposes ways to reduce work hours and keep workers happier healthier and more productive Recent years have revealed just how stressed out many workers are While the trend to longer hours has been developing for several decades the trend s effects have been aggravated during the pandemic by the growing use of Zoom and other new technologies for meetings with clients customers and co workers Exhausted and fed up today s workers are starting to insist on shorter hours and greater flexibility as to where they do their work There is growing consensus that the forty hour week the norm since the 1940s has outlived its usefulness And there is an urgent need for new work schedules that adequately reflect the far greater intensity of work today as well as the greater family demands on a labour force made up of almost fifty percent women who bear the brunt of domestic duties *Work Less* offers practical scheduling suggestions to employers and workers and numerous policy options for government policy makers to improve working conditions

Too Tired to Fight Erin Mitchell, MACP, Stephen Mitchell, PhD, 2024-07-09 How couples with kids can transform 13 common relationship fights into closer connection from popular Instagram counselors Erin and Stephen Mitchell couples counseling for parents Parenting changes a couple s relationship in fundamental ways but most parents are too exhausted from the demands of life work and engaging their kids to prioritize their relationship This can lead to repeated conflict and an overwhelming sense of anxiety anger hurt and loneliness just when you need your partner s support the most The good news conflict is actually a sign that you are trying to connect with your partner you re just stuck in an old pattern of communication In *Too Tired to Fight* Erin and Stephen Mitchell use their 20 plus years of counseling experience to walk couples through the 13 conflicts that are not just normal but necessary to keep a partnership strong once kids enter the picture including The Your Parenting Is Wrong Conflict The I m More Tired Than You Conflict The Stop Choosing Your Family Over Ours Conflict The Sex Life What Sex Life Conflict In each scenario they show how this conflict plays out and offer scripts questions for reflection and their tried and

true Conflict to Connection Equation that couples can use in the moment to communicate true repair and resolution Their secret by expressing your feelings and intentionally listening to your partner not just venting or reacting to your stress response system you can work through the pain points of parenthood together and actually make your relationship happier and healthier as a result *Flexible Lives* Stefanie Reissner, Michal Izak, 2025-08-07 This geographically and methodologically diverse volume shines the spotlight on a variety of flexible working practices beyond the predominantly Western perspective and zooms in on the gendered aspects of flexible working The increasing use of flexible work arrangements has decoupled work from time and space making the world of work and home increasingly fluid and challenging to manage The Covid 19 pandemic in particular has been a catalyst for questioning accepted norms of where when and how work takes place This book seeks to explore the impact which this reshaping of traditional modes of working has had on workplace interactions and relationships as well as on managing the boundaries between familial and working lives In this way this collection contributes to a wider dialogue concerning the flexibility challenges encountered by white collar workers which is needed now more than ever This book will be relevant to scholars practitioners and policymakers in the fields of gender studies organizational behavior human resources and labor economics It will be particularly useful for those examining the impact of remote work the future of work organizational culture and the social and economic implications of shifting work practices The chapters in this book were originally published in *Culture and Organization* and are accompanied by an updated Introduction and a new Epilogue **The Agile Organization** Linda Holbeche, 2023-06-03 The key to retaining competitive advantage in a volatile business world is agility The third edition of *The Agile Organization* shows how to develop capabilities across the organization to adapt With helpful checklists tips and advice this is a practical blueprint to building both agility and resilience at individual team and organizational levels It covers how to design agile organizations as well as how to implement agile models into existing organizations and people practices There is guidance on how agility can be applied to talent management flexible working patterns and the importance of mobilizing and energizing employees for change This edition contains new material on agile mindsets and enterprise agile planning alongside how hybrid forms of working can enhance resilience There is also extended material on how inclusion and wellbeing initiatives can support individual resilience and innovation to improve performance across the organization Case studies include ING the University of California Berkeley the UK National Health Service NHS and SNC Lavalin s Atkins business This book is an essential read for HR and OD specialists senior leaders and managers who want transform their organization and build an agile business **U.S. News & World Report** ,2007 U.S. News and World Report ,2007 Home Garden and Flower Grower ,1928 Canadian Bee Journal ,1912 Canadian Horticulturist and Beekeeper ,1911 *The Gardeners' Chronicle* ,1875 **American Florist** ,1903 **West Virginia Law Review** ,2014 **Exchange for the Flower, Nursery and Garden Center Trade** ,1925 *Proceedings of the ...
