Let's Pivot](#) Michael Siervo, 2022-02-17 Whether it is a financial crisis, relationship breakdown, critical illness, natural disaster, or a global pandemic, life will hit you hard when you least expect it. Mike Tyson once said, "Everyone has a plan until they get punched in the mouth." The global pandemic blindsided society and upended the world into a new normal. Businesses either died or thrived in this new environment. What separated the survivors from the casualties? How did they do it? It all came down to the pivot. *F\*ck It! Let's Pivot* is about how entrepreneurs, side hustlers, and go-getters pivoted from crisis to opportunity. With 17 thoughtful chapters ranging from the history of business pivots, the entrepreneurial mindset, branding, importance of social media, collaborating with local businesses, looking at your own talent pool, pivot strategies that work, leveraging the Gig Economy, and many more concepts, this book is packed with ideas. Experienced businessman Michael Siervo combines humour, anecdotes, and statistics as he shares tips, tools, and lessons from entrepreneurs who pivoted out of danger and into profit. Included in this interactive book are real-life stories of entrepreneurs from around the world who found ways to thrive in the face of adversity. Written in their own words, they share their inspirational stories. With QR codes throughout the book, readers can explore chapter summaries and detailed biographies of contributing authors, making this an engaging experience. You will walk away inspired and confident that change isn't bad. Change is just a part of becoming who you are meant to be.
