**Strategic Business Management in Crisis Times** Geetanjali Varrier,2025-01-03 Strategic Business Management in

Crisis Times explores the vital role of strategic management in navigating unstable and unpredictable environments such as a pandemic. This book addresses the complexities and importance of applying strategic management effectively during volatile situations, providing a comprehensive guide from basic principles to detailed applications. We delve into the history of strategic management during pandemics, examining its impact on businesses and livelihoods. The book highlights how poor strategic management can undermine authority and offers insights on leveraging effective strategies even amid crises. Through global case studies and live discussions with entrepreneurs, readers gain a thorough understanding of strategic management practices in challenging times. The book also covers new strategies developed during the COVID-19 pandemic and revisits historical strategies for managing businesses and livelihoods. It combines conceptual knowledge with practical tips, suggestions, and actionable points, making it a valuable resource for comprehending and applying strategic management in crises.

**Management Communication** James S. O'Rourke, 2023-03-30 This new edition of Management

Communication is a case-based textbook that introduces students to the strategic communication methods that are crucial to master in order for them to develop into effective and ethical managers at all levels of business. Effective communication skills are necessary for success in the business world, and James O'Rourke has written a highly readable book filled with anecdotes and examples to engage students in the learning process. This seventh edition includes both classic and new features. The strategic approach is integrated throughout the book, allowing students to understand how a communicated message affects the business as a whole. New case studies provide students with hands-on experience of scenarios they will encounter in the real world, looking at global companies such as Facebook and Nike. Further updates include new content on technology, corporate culture, and disinformation. An ethical thread is woven through the text, demonstrating how ethical decision-making can be applied in all aspects of communication. Chapters on intercultural communication, nonverbal communication, and conflict management provide students with the skills to build relationships and influence stakeholders, key skills for any manager. This text will provide students with a well-rounded understanding of management communication, and the support material ensures it serves as a complete resource for instructors.
