of restaurants were able to pay 100% of their employees salaries This meant that it was possible to pay a manager less than a waiter and save money However with the inclusion of recruitment technology the cost of hiring employees is being cut by up to 50% This does not necessarily mean that the amount of profit is increased but employees are able to be assigned to different tasks meaning that they spend less time in front of customers thus increasing their profits Interested to know more Then Scroll up Click on Buy now with 1 Click and Get Your Copy Now *Digital Nomad Secrets* Ron Kness,2016-12-08 Discover a step by step guide for aspiring lifestyle entrepreneurs to live work and play anywhere in the world This step by step guide will show you how to unleash yourself from the conventional lifestyle and live a life based on your terms Living a nomadic lifestyle comes with many benefits For 3example you ll be able to travel the world have incredible experiences meet amazing and diverse people have legendary stories to tell grow as a person develop your skills as an entrepreneur have a taste of true freedom be able to do work that you find truly enjoyable and rewarding learn to become completely self reliant learn more about yourself and about what you really need to be happy be joining a huge growing community of like minded individuals be a pioneer working in a fashion that would have been unthinkable even a decade ago improve your happiness your health and your perspective Being a digital nomad is something that was unthinkable even 20 years ago Taking on this lifestyle makes you a pioneer and it s one of the greatest adventures you can embark upon in the 21st Century To start with it s not easy otherwise everyone would be doing it It will require work and effort on your part But once you ve established these basic foundations you ll be on your way to a nomadic lifestyle The good news is I ve written a handy Book to help you get started even if you are a true beginner I ve put it all into one easy to understand course **Digital Nomad Secrets Digital Nomads** Rachael A.
