Advocate and TEDx Speaker About the Book A big shift has happened in the last few years and it's all to the benefit of introverts in business. Work-life balances are being reset and the future looks brighter for many. Business expectations have changed. No one expects you to commute long distances and show up face to face at an office. Now is a great time to extend your reach and expand your knowledge-based business online. You can create a business without borders serving clients around the world without having to leave your home. You can easily recruit a team to support you and your clients across multiple time zones without employing them directly. You can start serving many clients at the same time without adding more hours to your week. All these things play into introverts' hands along with being able to run a business in line with your energy. The Introvert Way™ Roadmap provides a step-by-step guide to design and scale your coaching or consultancy business. There are multiple ways to monetise your expertise online. Whether you are starting from scratch or scaling your business internationally, The Introvert Way™ Roadmap has you covered. The Introvert Way™ Roadmap is steeped in Design Thinking theory where you take your ideas through the 3 design thinking phases of Inspiration, Ideation, and Implementation. At each stage of the process, you will be taking a human-centred approach to the development of your business. By focusing on the people you serve rather than metrics, platforms, and tech, will ensure that your business is aligned to both your values and the needs of your client. The technical elements are there to support your business and not to define it. Inside are graphics and tables that show the progression of your business, one step at a time. Included are access to free printable downloads of all tables plus a workbook to start creating your own bespoke roadmap.
