seen positively as a potential dynamic element in growing economies rather than merely as a problem. If societies are willing to invest in youth it will repay that investment many times over. From the Report Unemployment involves wasted resources but it is also a wider human problem. The loss is not just economic. Youth is a period of transition from childhood to adulthood of energy and of willingness to learn and serve. With work this can be directed towards a common benefit without work it is dissipated or even channelled into anti social behaviour. From the Foreword by the Commonwealth Secretary General
