to dispose of the dead bodies I wasn't that bad but my social life went on ice I studied nutrition and learned the intricacies of exercise mechanics I read books and invested in courses on social media copywriting and web design Iron Paradise Fitness had consumed my entire life and I loved it It was the fire in my belly I'd been missing The passion I needed Although it did make for awkward conversations on Tinder dates What do you like to do in your spare time The innocent question would come Well I'm building my own business right now so that's my main focus Ah cool But what do you like to do for fun Work on my business Yeah but what about when you're not doing that I'm either working on my business thinking about working on my business or eating Oh
