Easy Hybrid Work Schedule Ideas In 2025:

More Impact, More Easily Rebecca Houghton, 2026-03-16 Discover the 12 systems that will transform how you work and how you're seen. You lead teams, drive results and navigate complex stakeholders daily. Yet you're stretched thin and struggling to be recognised for the value you deliver. You've got all the accountability but none of the authority you need to achieve your goals. The solution: An everyday toolkit to help you deliver more with less. Drawing from research with over 1000 leaders, **More Impact, More Easily** introduces 12 systems that will help you control the pace of work, own your space and have more influence regardless of your job title. Discover how top managers operate differently when it comes to getting things done, from leading teams to navigating difficult bosses, guiding change and advancing to the next level. Learn how to identify where you are now and accelerate your growth up the ladder of impact, beat burnout and boost productivity without doing more work, build confidence and visibility so your ideas land with senior stakeholders, manage up with precision and influence decisions without direct authority, lead through change and conflict, boosting motivation and resolving tension fast. If you're ready to assert your influence and boost your successes, **More Impact, More Easily** gives you the practical systems you need to close the gap between expectation and empowerment.

Remote Work, Internal Marketing and Human Resource Management Teena Mishra, 2024-12-02 Remote working is a developing idea that many organizations are embracing, especially in light of COVID-19 and the rise in demand for remote and hybrid roles. As there is no standard model to use for implementation, a number of problems and difficulties develop as popularity increases and hybrid working environments become normalized. This book presents the views, opinions and reality of remote work and creating an appropriate internal marketing culture in a remote environment. The key topics explored are the significance of remote work, remote work practice, reshaping the work environment, designing remote work models, remote work challenges, remote work facing business organizations, remote work management innovations and technology, the role of motivation and satisfaction in organizational development, employee empowerment in a remote setting, transparency and commitment for sustainable development and the future of remote work. This research volume will be of value to researchers, academicians, practitioners and students in the fields of human resource management, organizational studies and innovation management.

The Work-Ready Graduate Neil B. Niman, Jennifer R. Chagnon, 2023-07-06 This book examines the tide of change facing higher education as it grapples with providing a more relevant and demonstrated value for its graduates entering the workplace. Based on their experience with the Business in Practice program they created, the authors share the rationale and practical approaches colleges and universities need to implement if they are to foster the development of a work-ready graduate. What sets the program apart are the two credit courses crafted to take advantage of the unique knowledge and work experiences of industry professionals that complements our core curriculum. Utilizing experiential learning, the program is designed so that students can apply soft skills in a progression that helps develop those capabilities that are beneficial for them and
