The Introvert's Complete Career Guide Jane Finkle,2019-01-01 Ready to change your life

Jane nails it in this informative and resource rich book that guides introverts on a clear journey to an empowered career. If a tendency toward introversion makes you feel stuck, this book offers the keys to freedom. Dawn Graham, PhD, LP, Career Director at The Wharton School at the University of Pennsylvania, says: "What do Elon Musk, Warren Buffett, Marissa Mayer, and Bill Gates all have in common outside of being wildly successful? They are all introverts. In today's fast-paced, unstable workplace, achieving success requires speaking up, promoting oneself and one's ideas, and taking initiative. Extroverts, fearless in tooting their own horns, naturally thrive in this environment, but introverts often stumble. If you question your ability to perform and succeed in this extroverted work culture, *The Introvert's Complete Career Guide* is custom fit for you. In this supportive, all-inclusive handbook, Jane Finkle demonstrates how to use your introverted qualities to their best advantage, then add a sprinkling of extroverted skills to round out a forceful combination for ultimate career success. Finkle shares the keys to navigating each stage of professional development, from self-assessment and job searching to survival in a new position and career advancement. In *The Introvert's Complete Career Guide*, you will learn to: Build confidence by evaluating your values, personality, style, interests, and achievements; Write the story of your career in resume and LinkedIn formats; Use social media at your own comfort level to promote your career and expand your network; Express yourself clearly and confidently in network meetings, interviews, and workplace situations; Build strong professional relationships with colleagues and senior leaders; Overcome fears that prevent you from embracing new challenges. Equally applicable to the real or virtual workplace, *The Introvert's Complete Career Guide* provides strategies, tools, and success stories that win you the professional respect and recognition you deserve."
