*Media Authorship* Cynthia Chris, David A. Gerstner, 2013 Contemporary media authorship is frequently collaborative participatory non site specific or quite simply goes unrecognized In this volume media and film scholars explore the theoretical debates around authorship intention and identity within the rapidly transforming and globalized culture industry of new media Defining media broadly across a range of creative artifacts and production cultures from visual arts to videogames from textiles to television contributors consider authoring practices of artists designers do it yourselfers media professionals scholars and others Specifically they ask What constitutes media and authorship in a technologically converged globally conglomerated multiplatform environment for the production and distribution of content What can we learn from cinematic and literary models of authorship and critiques of those models with regard to authorship not only in television and recorded music but also interactive media such as videogames and the Internet How do we conceive of authorship through practices in which users generate content collaboratively or via appropriation What institutional prerogatives and legal debates around intellectual property rights fair

use and copyright bear on concepts of authorship in new media By addressing these issues Media Authorship demonstrates that the concept of authorship as formulated in literary and film studies is reinvigorated contested remade even reauthored by new practices in the digital media environment     *Package Your Knowledge Into Digital Products: Turn Insight Into Recurring Monthly Revenue* Ahmed Musa ,2025-05-23 You re sitting on a money machine and don t even know it Inside your head is valuable knowledge but until you package it right it s just wasted genius Package Your Knowledge Into Digital Products Turn Insight Into Recurring Monthly Revenue is your brass knuckle no fluff guide to transforming what you already know into scalable digital products that pay you month after month while you sleep eat or chill on a beach somewhere This ain t about ebooks that collect dust or courses no one finishes This is about building digital assets smart lean and addictive that people pay for again and again Inside you ll learn How to extract your knowledge and turn it into sellable binge worthy products The Digital Product Pyramid what to build first next and never How to create once and get paid forever this is where real leverage lives What most creators get wrong and how to skip straight to the cash flow The system that turns your insights into recurring revenue on autopilot If you re tired of trading hours for dollars If you ve got expertise and want to finally profit from it If you want freedom scale and cash that keeps coming This book is your launchpad Because once you package your knowledge the right way you don t chase money money chases you     **The Motion Picture Guide** Jay Robert Nash,Stanley Ralph Ross,1985     **People of Today** ,2006     EventDV ,2007     *A Seniors Guide to YouTube: How to Build Your YouTube Channel in Retirement* Virginia Grant, Have you ever thought about sharing your stories hobbies or expertise with the world through YouTube but weren t sure where to start Whether you re looking for a creative outlet a way to connect with others or even a source of extra income in retirement this book is designed to help you navigate the process with confidence Covering everything from setting up your channel to filming editing and growing an audience this step by step guide makes YouTube accessible no technical experience required Learn how to create engaging videos using simple equipment optimize your content for discovery and build a channel that reflects your unique interests and personality Designed specifically for seniors this book breaks down the essentials in an easy to follow conversational style It addresses common concerns such as feeling camera shy understanding YouTube s monetization options and avoiding the pitfalls that discourage many new creators Whether you want to document your travels share your knowledge start a passion project or turn YouTube into a business this book gives you the tools and confidence to get started     **Mastering Canva Made Simple 2025 (The No-Stress User Guide for Beginners and Seniors)** Samuel K Westwood,2025-06-12 Tips Tricks and Step by Step Guidance for Beginners and Seniors Design Smarter Not Harder Finally Unlock Canva with Confidence Feel lost every time you open Canva You re not alone For millions of beginners seniors and non designers Canva looks like a powerful tool but feels intimidating confusing or just downright frustrating Templates layers text boxes brand kits where do you even begin If you ve ever said I m too old for this I don t have time to learn design Why is Canva so overwhelming then this is the
