## **Abingdon New Testament Commentary Matthew Abingdon New Testament Commentaries:**

Abingdon New Testament Commentaries | John Dwight Moody Smith,1999 In this volume Smith views the Fourth Gospel within several contexts in order to illuminate its specific purposes and achievements A growing consensus of recent scholarship including Martyn Raymond E Brown Meeks seeks the roots of this Gospel and its traditions in the conflict between Jesus followers and opponents within Judaism In their struggles Jesus followers are encouraged and strengthened by his continuing presence in the Spirit which articulates his meaning for new situations Although distinctive Johannine Christianity does not develop in complete isolation from the broader Christian Gospels Out of a fascinating if complex setting develops the strikingly unique statement of Christian faith practice and doctrine found in the Gospel of John The purpose of this commentary is to enable the reader to comprehend that statement in historical perspective in order to appreciate its meaning and significance **Abingdon New Testament Commentary: Matthew** Donald Senior,1998 *Abingdon New*

*Testament Commentaries | Matthew* Donald Senior,1998 The Abingdon New Testament Commentaries series provides compact critical commentaries on the writings of the New Testament These commentaries are written with special attention to the needs and interests of theological students but they will also be useful for students in upper level college or university settings as well as for pastors and other religious leaders In addition to providing basic information about the New Testament texts and insights into their meanings these commentaries are intended to exemplify the tasks and procedures of careful critical biblical exegesis In this volume Donald Senior unfolds the meaning of Matthew s Gospel in its original context The Gospel was written for an early Christian community caught in a moment of profound transition striving to remain faithful to its Jewish heritage and facing a new and uncertain future in the Gentile world Building on a lifetime of scholarship on this Gospel Senior uses an array of methodologies to explore the literary historical and theological perspectives of Matthew in context At the same time he provides leads for the contemporary reader to note the interplay between Matthew s Gospel and our own time and place In the nexus between these two worlds of experiences the message of the Gospel comes alive and takes on new meaning **Abingdon New Testament Commentaries: Mark** Prof. C. Clifton Black,2011-09-01 Mark s

genius lies not in telling a story about Jesus but in creating conditions under which the reader may experience the peculiar quality of God s good news The Evangelist hurries one along breathlessly immediately making sure that the reader lurches with the characters into one pothole after another What is this new teaching that consorts with the flagrantly sinful turning the pious homicidal intimates into strangers and mustard seeds into the greatest of all shrubs Jesus closest adherents the Twelve are among the most muddled Who can blame them They ask for an obscure parable s interpretation and receive an answer even more confounding They are told to feed thousands with next to nothing Their boat almost capsizes while their teacher sleeps As they oar in rough waters the teacher strides the waves intending to bypass them Putting the reader in the same boat Mark structures conversations with Jesus that make little sense if any The Twelve are craven stupid self serving

and disobedient meet the average Christian Besides their hearts were hardened Who hardens hearts God Should not God s Messiah lift the burdens of those following him What kind of Christ heads to a cross handing his disciples another for themselves Do you not yet understand from the Introduction      **Reading the New Testament in the Church** Francis J. Moloney, Sherri Brown,2019-10-03 A succinct and accessible text for teaching students how to interpret the New Testament This new textbook effectively introduces students to the art and craft of biblical interpretation New Testament scholars Sherri Brown and Francis Moloney begin by orienting students to the world of the Bible exploring contemporary methods for interpreting the biblical literature and showing how the Old Testament is foundational to the formation of the New Testament The book proceeds to lead readers through the books of the New Testament by genre The Narratives Gospels and Acts Paul and His Letters Hebrews and the Catholic Epistles Apocalyptic Literature and the Book of Revelation Unlike book by book introductory textbooks that tend to overshadow the primary biblical text with lots of detailed information Brown and Moloney s Interpreting the New Testament actually facilitates the study of the New Testament itself Their concluding chapter reflects on the challenge of the New Testament to our present world      **Perspectives on Church Government** Daniel L. Akin,2004 The models of church government discussed are the Plural Elder led Congregational model the Single Elder led Congregational model the Democratic Congregational model the Episcopal model and the Presbyterian model

Smith ,Jayachitra Lalitha,2014-05-01 That Christian missionary efforts have long gone hand in hand with European colonization and American imperialist expansion The role played in those efforts by the Great Commission the risen Christ's command to teach all nations has more often been observed than analyzed With the rise of European colonialism the Great Commission was suddenly taken up with an eschatological urgency often explicit in the founding statements of missionary societies the differentiation of teachers and nations waiting to be taught proved a ready made sacred sanction for the racialized and androcentric logics of conquest and civilization     **At the Intersection of Hermeneutics and Homiletics** Yung Suk Kim,2025-04-18 While hermeneutics involves comprehensive study of the biblical text whether through historical or literary or reader focused approaches homiletics is concerned with a selected theme message and on the composition and delivery of sermon discourse aimed at a particular audience But the border between hermeneutics and homiletics is blurry because both disciplines require readers to engage the biblical text from their own contexts This collection deals with the intersection of hermeneutics and homiletics by exploring two revelatory texts one from the Hebrew Bible and the other from the New Testament the book of Ruth and Matthew 15 21-28 a Canaanite woman's encounter with Jesus Both reflect agonizing issues that readers must tackle immigration family community identity agency race ethnicity gender class culture economy and religion A diverse group of scholars brings their transgressive perspectives to the above texts Unfolding new areas of interest inquiry and insight they will transgress authoritative readings of biblical texts fashion hermeneutic horizons in dialogue with the text and forge homiletic trajectories toward contemporary audiences Without limiting interpretation to a box this volume

Beacon Bible Commentary: Matthew-Luke, 1969 *Matthew* Anna Case-Winters, 2015-03-18 One of the most beloved books of the New Testament the Gospel of Matthew speaks with eloquence and power Among the Gospels Matthew paints a fuller picture of the life ministry and teachings of Jesus Anna Case Winters s incisive commentary reveals that Matthew is clearly a theological book It is about God s saving work in Jesus Christ Moreover it is presented in a way that easily lends itself to the task of teaching and preaching Case Winters highlights five themes that shape the distinctive portrait of Jesus this Gospel offers Here we see Jesus facing up to conflict and controversy ministering at the margins overturning presuppositions about insiders and outsiders privileging the powerless demonstrating the authority of ethical leadership challenging allegiance to empire and pointing the way to a wider divine embrace than many dared imagine Case Winters captures the core of Matthew s unique Gospel which speaks powerfully to the life of Christian faith today in the midst of our own issues and struggles

complete isolation from the broader Christian Gospels Out of a fascinating if complex setting develops the strikingly unique statement of Christian faith practice and doctrine found in the Gospel of John The purpose of this commentary is to enable the reader to comprehend that statement in historical perspective in order to appreciate its meaning and significance
