Business and Management Consulting Louise Wickham, Jeremy Wilcock, 2020-03-09 Gain consulting insights into business decision making in today's environment Business and Management Consulting 6th Edition by Wickham and Wilcock first published as Management Consulting over 20 years ago to guide students through the consultancy process This edition renamed Business and Management Consulting reflects the way in which the consulting world has changed over the past two decades new digital technologies have made information more accessible and changed the way businesses have to operate so

management consultants need to have a wider view of their client company Management consulting remains a popular career choice but undertaking a consulting project for the first time can seem daunting for a student or new professional This book continues to offer a practical guide to balancing theory and practice while also giving tips and techniques to the more seasoned practitioner so is ideal for anyone who is undertaking a consulting project This is delivered from the accumulated knowledge and insight of the authors and contributors who all have been consultants The 6th Edition has been revised to reflect how new technologies for communication and information gathering have changed the way in which consultants operate It also includes more insights into how businesses take decisions that impact consulting projects in today s faster paced more volatile environment Key features A comprehensive introduction to the best practice in conducting a consulting project Key insights into how best to tackle the challenges that arise Case studies from across a wide range of industries at the end of each chapter and a long case study running throughout the book Help in choosing and developing a career in consultancy Extensive references and further reading to underpin a student s knowledge In the Preface several pathways are provided for the different types of project a student may be required to undertake taking into account their academic level and previous experience Throughout the chapters the key ideas are highlighted to aid the reader in navigating the book New to this edition More information on how to sell a consulting project Further detail on ways to manage the project tasks with specific tools Specific tools for analysis of digital communications such as websites and social media Techniques for minimising the risks the consultant may face New case exercises based on real consulting projects to put tools and techniques into practice Louise Wickham has over 35 years business experience both within companies and as a consultant working for a wide range of consumer facing businesses and the not for profit sector Jeremy Wilcock is Lecturer in International Marketing at the University of Hull He has 27 years industrial experience with a major multi national where he worked on numerous internal consultancy projects He has lectured regularly in subjects including strategic management and business analysis at undergraduate and postgraduate level and has supervised student consulting projects Pearson the world s learning company *ACCA Approved - P3 Business Analysis (September 2017 to June 2018 exams)* Becker Professional Education,2017-04-15 ACCA Approved and valid for exams from 01 Sept 2017 up to 30 June 2018 Becker s P3 Business Analysis Revision Question Bank has been approved and quality assured by the ACCA s examining team **ACCA Paper P3, Business Analysis** Association of Chartered Certified Accountants (Great Britain),2011-10-01 *ACCA Approved - P5 Advanced Performance Management (September 2017 to June 2018 exams)* Becker Professional Education,2017-04-15 ACCA Approved and valid for exams from 01 Sept 2017 up to 30 June 2018 Becker s P5 Advanced Performance Management Study Text has been approved and quality assured by the ACCA s examining team Analysis of the business and financial performance of Ryanair Salamun Adnan,2019-06-19 Bachelor Thesis from the year 2011 in the subject Business economics Accounting and Taxes grade 50% Oxford Brookes University language English abstract The aim of this research is to analyze

the business and financial performance of Ryanair by focusing on financial and non financial performance such as financial management business strategy future prospects and ways of achieving its objectives in its competitive environment from a stakeholder point of view In 1985 Ryanair was set up by the Ryan family with a share capital of just 1 and a staff of 25 The company launched its first route in July with daily flights from Waterford in the southeast of Ireland to London Gatwick Since then the company has grown considerably and became one of Europe s largest low fare airlines

Sustainability in Accounting Education Maria Cadiz Dyball,Ian Thomson,Richard M.S. Wilson,2015-10-14 Accounting sustainably involves accounting for and to the natural environment and accounting for and to society including groups currently oppressed or disadvantaged by unsustainable processes and practices This book creates a compelling case for the inclusion of sustainability at the heart of accounting educational programmes offering critical lessons and identifying risks to avoid when designing accounting programmes and courses Accounting sustainability has moved from the side lines of policy discourses accounting institutions professional accounting practices and research activities into the mainstream The chapters in this proposed book engage in a critical dialogue to facilitate change in accounting education for sustainability They dispel the myth that accounting for sustainability is an oxymoron bad for business unrelated to practice or contrary to professional accounting bodies accreditation requirements This book was originally published as a special issue of Accounting Education
