**The Fictions that Shape Men's Lives** Christopher Kilmartin, 2021-04-20 The Fictions that Shape Men's Lives is structured around a number of key fictions of masculinity such as beliefs in biological determinism the inevitability of men's violence and the opposition of the sexes and proceeds to expose them to be wholly or partially unfounded Examining the social pressure to behave and experience the self in ways that culture prescribes for the bodies we are perceived as having this book provides an awareness of widely held but distorted assumptions of gender It also seeks to put men into the position to resist masculine social pressures when conforming to it conflicts with important life goals or values and or causes harm Making use of an informal storytelling style provides an accessibility to those interested in breaking down their preconceptions of gender and masculinity as well making links to key theories and concepts This is a lively and engaging book for undergraduates studying introduction to Gender Sexuality and Masculinity courses

**Black Love Matters** Armon R. Perry, 2020-10-30 Black Love Matters is an in-depth qualitative analysis that focuses on a diverse group of adult black men and their attitudes towards behavior in marriage and romantic relationships To give voice to the men's narratives Black Love Matters follows the men for four years chronicling the experiences and the circumstances shaping their relationship trajectories Highlights include discussions related to the roles that sex infidelity intimacy trauma family of origin masculinity

and environmental factors play in the men's attitudes and behaviors. Given the dearth of literature on black men featuring first-hand accounts from them, *Black Love Matters* makes a significant contribution to the existing literature that seems to be disproportionately focused on implicating black men in discussions of what ails their families and communities. Dating Lauri S. Scherer, 2014-03-14. Do kids ask each other out to the movies anymore? Do dating websites yield good relationships? Should student-teacher dating be illegal? Is America's hook-up culture sexist? This collection of personal accounts and essays helps readers navigate the controversies relating to dating. Readers will learn about teens and dating violence and date rape. Several other issues like these are debated by sources such as the American Psychological Association. Aaron Foley, Tina deVaron, Rebecca Kling, and Glenn T. Stanton. *No Tea, No Shade*. E. Patrick Johnson, 2016-10-13. The follow-up to the groundbreaking *Black Queer Studies*, the edited collection *No Tea, No Shade* brings together nineteen essays from the next generation of scholars, activists, and community leaders doing work on black gender and sexuality. Building on the foundations laid by the earlier volume, this collection's contributors speak new truths about the black queer experience while exemplifying the codification of black queer studies as a rigorous and important field of study. Topics include raw sex, pornography, the carceral state, gentrification, gender nonconformity, social media, the relationship between black feminist studies and black trans studies, the black queer experience throughout the black diaspora, and queer music, film, dance, and theater. The contributors both disprove naysayers who believed black queer studies to be a passing trend and respond to critiques of the field's early U.S. bias. Deferring to the past while pointing to the future, *No Tea, No Shade* pushes black queer studies in new and exciting directions. Contributors: Jafari S. Allen, Marlon M.
