Addicted Zane, 2002-03-01 Before there was E L James's 50 Shades of Grey there was Zane's Addicted Once described as the hottest paperback in the country by The New York Times and now a major motion picture this wildly popular novel by the Queen of Erotica follows one woman's life as it spirals out of control when her three extramarital affairs lead her down a dark and twisted path For successful Black businesswoman Zoe Reynard finding the pleasure she wants the way she wants it is not worth the risk of losing everything she has marriage to the man she has loved since childhood a thriving company and three wonderful children But Zoe feels helpless in the grip of an overpowering addiction to sex Finding a compassionate woman therapist to help her Zoe finally summons the courage to tell her torrid story a tale of guilt and desire as shocking as it is compelling From the sensitive artist with whom she spends stolen hours on rumpled sheets to the rough and violent man who draws her toward destruction Zoe is a woman desperately searching for fulfillment and something darker deeper and perhaps deadly As her life spins out of control and her sexual escapades carry her toward a dangerous choice Zoe is racing against time to uncover the source of her fatal attraction as chilling secrets tumble forth from the recesses of a woman's mind and perilous temptations lead toward a climax that can threaten her sanity her marriage and her life *Addicted to You* Chaotic Soul, Emma Lewis is a witty and confident girl who never fears anyone She comes to the conclusion that she is done with guys when her boyfriend of three years cheats on her But what happens when she encounters Austin Williams an attractive intimidating and cocky guy who always gets what he wants and never dates Will she change her mind and give in to her desires or fight the undeniable attraction between them **Addicted to You** Amheliie, Maryrhage, 2016-08-25
